Rental Appraisal: Lot 31 SP 277099 at 13 Andersson Court Highfields QLD 4352

To whomever it may concern,

Thank you for the opportunity to provide you with a rental appraisal on your property.

Based on similar properties currently rented in Highfields and the surrounding suburbs, and taking into consideration comparable properties advertised recently, we would anticipate an achievable weekly rent, if the property became vacant, would be as follows:

$550 - $575 Per Week

According to the most recent REIQ Market Monitor publication, the average vacancy rate for the Toowoomba Local Government Area (LGA), is approximately 0.50%.

The figures quoted above may vary depending on market conditions. It should be noted that we are not qualified property valuers, this appraisal is based on our knowledge of the local area combined with our own research. Hot Property takes every care when arriving at our appraisal price.

Should you have any questions or concerns regarding this rental appraisal or wish to discuss this further please feel free to contact me.

Kind Regards,
