Reason there are fewer than three comparable properties

[x] **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties were sold

Due to the limited availability of recently sold properties with closely comparable characteristics, no directly comparable sales have been identified for inclusion in the Price Property Statement. The estimated selling price has therefore been determined having regard to the property's individual feature size, and current market conditions.

Sale outcome

The sale price of the property must be included in this section within seven days after the unconditional sale of the property unless an application for an exemption is pending or an exemption has been granted.
