Reason there are fewer than three comparable properties

[X] **I, the agent or agent's representative for the property offered for sale, did not take the sale price of three comparable properties into account in determining the estimated selling price for the property because I believe that fewer than three comparable properties were sold within the relevant period.**

Explain the reason the agent or agent's representative believes that fewer than three comparable properties were sold

There are limited sales within this timeframe and proximity of a similar nature - however the provided ones have given us an approximate guide.

Both are located within similar proximity, however neither feature a shed. One of them offers superior views. All are located on sealed roads.
