THE EXPERIENCE

THE FORMER IRON FOUNDRY AND MODERN HOTEL TOWER COMBINE TO FORM A HOSPITALITY, RETAIL, DESIGN, AND CULINARY COMPLEX.

THE HOTEL

Scandinavian and Japanese design meet in our rooms and suites. Each room features custom Baltic birch casework, high ceilings and polished concrete floors, Malin + Goetz body products and silk-screened Source tote bags (for purchase) to hold all of those great things you'll find downstairs.

Select rooms feature original wallpaper creations by Calico NYC and operable glass garage doors. With intentions to bring the outdoors in, each room is a refuge of natural light and comfort.

THE SOURCE HOTEL AND MARKET HALL FEATURE 25 INDEPENDENT FOOD AND RETAIL VENDORS, 2 TOP BREWERIES AND A ROOFTOP POOL WITH PANORAMIC VIEWS.
