DSP to 5-3/8" x 4-1/8"
- Inside Panel - Cut 1 Basic White cardstock to 2-3/4" x 5-1/4"
- Envelope Flap - Cut 1 coordinating DSP to 6" x 2-1/2"

2. On scraps of Basic White cardstock, stamp the bunny that is standing and the bunny that is sitting up using Early Espresso ink. Stamp two of the carrot image in Early Espresso ink. Color the bunnies using the light and dark shades of Soft Suede Stampin' Blends. Color the inside of the bunny's ears using Petal Pink. Leave the bunny's tails and bellies white. Color the carrots using the dark shade of a Pumpkin Pie Stampin' Blend. Color the tops of the carrots using the light shade of an Old Olive Stampin' Blend. Fussy cut the images using a small pair of paper snips.
3. For the grass hill, cut gentle hills from the top of the Old Olive cardstock piece.
4. Adhere the grass hill to the bottom of the DSP Panel. **Note: Do not apply glue to the top middle of the grass hill.** Adhere the DSP Panel to its white mat, then adhere this unit to the Card Front Panel. Center the DSP Panel unit from top to bottom and left to right. Note that there will be more space above and below this panel than there is from left to right.
5. On the bunny that is sitting up, cut a small slit between his paws, then use small drops of glue to adhere one of the fussy cut carrots between the bunny's paws.
6. Adhere the standing bunny to the left side of the Card Front Panel using Stampin' Dimensionals. The bunny's feet should be on the grass hill. Adhere the standing bunny to the right side of the Card Front Panel using Stampin' Dimensionals. Slip the remaining fussy cut carrot partially behind the grass hill between the two bunnies so that it appears as if the carrot is growing out of the ground.
7. Adhere the Card Front Panel to the lower portion of the card base. See photo below.

8. Using the two larger banner dies from the Stylish Shapes Dies set, die cut 1 of the smaller banners and 1 of the large banner from white cardstock. On the smaller banner label, stamp the sentiment "Enjoy all the little moments" using Mango Melody ink. On the larger banner label, stamp the sentiment "Happy Easter" in Mango Melody ink. Adhere the small sentiment label to the card front using Stampin' Dimensionals and position the label in the upper left corner.
9. Adhere the Inside DSP Mat to the inside of the card base.
10. On the Inside Panel, stamp the grass image along the bottom of the panel using Old Olive ink then use the light shade of an Old Olive Stampin' Blend to color in the blades of grass. Stamp two butterflies on the inside panel using Early Espresso ink and color the butterflies using So Saffron and Pumpkin Pie Stampin' Blends.

11. Adhere the "Happy Easter" sentiment label to the inside of the card base using Stampin' Dimensionals (refer to the above photo). Adhere the label between the bottom of the card base and the bottom of the Inside Panel, centering the label from left to right. It is important to use Stampin' Dimensionals to adhere the label to the inside of the card as this label becomes the mechanism that holds up the easel portion of the card.
12. On the envelope front, stamp one section of grass using Old Olive Ink and stamp a butterfly above the grass and color the butterfly using So Saffron and Pumpkin Pie Stampin' Blends. Adhere the piece of coordinating DSP to the envelope flap and trim away the excess paper from the flap to finish off the envelope.
