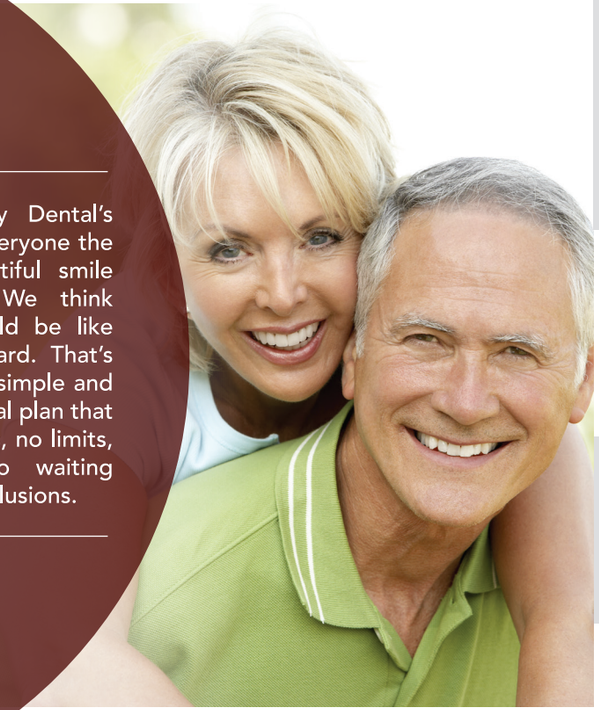
Fox Creek Family Dental's vision is to give everyone the healthy and beautiful smile they deserve. We think dental plans should be like teeth, straightforward. That's why we created a simple and cost-effective dental plan that has no hidden fees, no limits, no lab fees, no waiting periods and no exclusions.



How can Fox Creek Dental Savings Plan help you?

Huge Yearly Savings

For one low cost, you can save between 15% - 100% on all dental services. This includes x-rays, exams, crowns, implants and all other dental procedures.

Better Than Dental Insurance

Discount Dental Plans save you money on quality care while giving you the freedom to choose.
NO yearly maximums, NO deductibles, NO denials.

Step 1

Select A Plan

Choose one of our three types of plans that best fits you needs. Whether you need a plan just for you, for you and your spouse, or for your whole family, we have you covered.

Step 2

Find A Location

Go to our website to find which one of our conveniently located dental offices is closest to you. www.foxcreekfamilydental.com

Step 3

Schedule An Appointment

We have no waiting periods, which means as soon as you sign up you can start using your benefits immediately! Just call an office near you and tell them you're a Fox Creek Dental Plan member.

Step 4

Now, Smile

Take a moment to smile, because not only do your teeth look great, but you just saved a ton of money.
