## **FINANCING: 96%**

What financing options are available to help me pay for this program?

Financing for this program may be available through grants, scholarships, loans (federal and private) and institutional financing plans. The median amount of debt for program graduates is shown below:

Federal loans: \$5,000

Private education loans: \$0

Institutional financing plan: \$2,690

The school has elected to provide the following additional information: 96% of program graduates used loans to help finance their costs for this program.

## **2014 DEFAULT RATE: 5.8%**

A cohort default rate is the percentage of a school's borrowers who enter repayment on certain loans during a federal fiscal year October 1 to September 30. The cohort default rate plan was that institutions with abnormally high default rates would be identified and held accountable for their actions. These institutions would lose access to federal grants and loans after having a cohort default rate that exceeded the **\*National Average (10%)\***, by 25% for three years, or 40% in one year.
