The Heritage Club – Above and Beyond
Remittance Form

The Heritage Club was established in 1982 by 20th Supreme Basileus, Barbara K. Phillips, as a special club of sorors who volunteered to contribute \$100 annually, above and beyond the regular dues structure, for program enrichment. The club was designed to support activities such as Corporate Office operations, travel grants, leadership programs, educational audio-visual aids and similar activities.

Membership in the Heritage Club requires a payment of \$100 annually, beyond per capita and chapter dues. The payment can be made anytime during the calendar year. An acknowledgment letter and membership certificate will be sent upon receipt of your payment.

Heritage Club members will be saluted at the 70th Boule with a special recognition by the Supreme Basileus - a special moment not to be missed! Both years must be paid in full by Friday, April 29, 2022 to receive recognition.
