Proposed Amendment to Rules Applying to Dog Shows, Chapter 11, Section 1 - Dog Show Entries, Conditions of Dogs Affecting Eligibility
The AKC Staff has proposed the following amendment to Chapter 11, Section 1, of the Rules Applying to Dog Shows, to be voted on at the March 10, 2015 Delegates Meeting.

CHAPTER 11
Section 1: No dog shall be exhibited in a licensed or member dog show, unless it is either individually registered in the AKC Stud Book, or individually registered with a foreign registry organization whose pedigrees are acceptable for AKC registration. A dog with an AKC limited Registration shall be ineligible to be exhibited in a breed competition in a licensed or member dog show.

An unregistered dog with an acceptable foreign registration that is individually registered with a foreign registry organization whose pedigrees are acceptable for AKC registration may, without special AKC approval, be exhibited in licensed or member dog shows that are held not later than 30 days after the date of the first licensed or member dog show in which the dog was exhibited, but only provided that the individual foreign registration and name of the country of birth, are shown on the entry form; and provided further that the same name (which in the case of a foreign-registered dog must be the name on the foreign registrations) is used for the dog each time.

Foreign dogs not individually registered with The American Kennel Club when first exhibited in a licensed or member dog show shall not be eligible to be exhibited in any licensed or member dog show that is held more than 30 days after the date of the first licensed or member dog show in which it was exhibited, unless the dog’s individual AKC registration number is shown on the entry form, or unless the owner has received from The American Kennel Club an extension notice in writing authorizing further entries of the dog for a specified time with its individual foreign registration number. No such extension will be granted unless the owner can clearly demonstrate, in a letter addressed to the Show Records Department of The American Kennel Club requesting such extension, that the delay in registration is due to circum-
stances for which he is not responsible.

Such extension notice will be void upon registration of the dog or upon expiration of the period for which the extension has been granted if that occurs earlier, but upon application further extensions may be granted.

CONFORMATION JUDGES
As a result of the October 2010 Board Meeting, publication notice in the Gazette was combined into one notice, therefore the judging approval process continues to include an opportunity for the fancy to respond to each permit judge.

Letters concerning judges and permit judges should be addressed to the Judging Operations Department at PO Box 900062, Raleigh, NC 27675-9062. Letters concerning Agility, Obedience, Rally, Tracking, and VST applicants should be addressed to the Companion...
Events Department in North Carolina.

The American Kennel Club will, at the request of a judge or judge applicant, provide that individual with copies of letters received by AKC concerning their qualifications. As a result, it should be understood that any such correspondence will be made available, upon request, to the judge.

It is the responsibility of all Conformation and JS judges to notify the Judging Operations Department of any changes or corrections to their address, phone, fax or e-mails. These changes are very important because they affect your judges’ record, the web site and the Judges Directory. Please notify Judging Operations at (919) 816-3593 or email, judgingops@akc.org.

**PERMIT JUDGES**

Letters concerning registered handlers and handler applicants should be addressed to the Handlers Department at 8051 Arco Corporate Drive, Raleigh, NC 27617.

The American Kennel Club will, at the request of a registered handler applicant, provide that individual with copies of letters received regarding their handling qualifications. As a result, it should be understood that any such correspondence will be made available upon request, to the registered handler or handler applicant.

It is the responsibility of all registered handlers to notify the Handlers Department of any changes or corrections to their address, phone, fax or emails. These changes are very important because they affect your handlers record, the Web site and the Handlers Directory. Please notify the Handlers Department at (919) 816-3884 or Email handlers@akc.org
