The Campus Convocation Committee presents

LOU SMITH

Co-founder of

OPERATION BOOTSTRAP

NOON MONDAY, NOV. 25

TOWER MALL

Vice-Chancellor-Academic Affairs

January 15, 1969

MEMBERS OF THE FACULTY:

This Friday, January 17, at noon in the Gymnasium the campus will have the opportunity of hearing Mr. Lou Smith, Director of Operation Bootstrap, Los Angeles.

Mr. Smith will speak on "Encounter with Racism". Following his formal presentation, a series of discussion groups will be organized. These discussion groups will provide an opportunity for UCR students to participate personally in a multi-racial program. This discussion program is scheduled from one to five p. m. but need not stop at that hour. Additionally the Counseling Center will continue group meetings throughout the remainder of the year.

This program has resulted primarily from the organizing efforts of the Student Committee on Undergraduate Education and the Black Student Union.

It is my personal feeling, which I know is shared by many of you, that it is important for all of us to become sensitive to the issues facing our campus and country today.

My purpose in writing this memorandum is to bring Friday's program to your attention, hoping that you will participate and that you will also strongly encourage your students to do so.
