Covid Protocol

See the Covid document on the attached document

Tryouts and Practice

1. If you cannot make a practice or match text me at the number above, include your name so I will know who you are in the text
2. If you miss two consecutive days of activity (practices and matches) without contacting me you may be excused from the team
3. During tryouts bring a snack for yourself (more details regarding tryouts, practices and matches can be found on the Protocol document) things that will give you a boost during times of need
4. Make sure that you wear a pair of tennis shoes, or court shoes. Wearing anything else will run the risk of rolling ankles and missing time of practice and development.
5. Tryouts will run from Monday to Friday from 3:00 to 5:30 pm during the first 2 weeks of the tryouts.

Team Information

1. Information regarding the team can be found at:
    a. Google Doc/Sheets page – this will be the primary place for everything about the team, I will send the link via email, so make sure I have both the players and parents primary email address
    b. Social Media – I will periodically post various things about the team and upcoming things on this effort
    c. UTR - you will be able to see our match scores, as well as individual scores from matches over the season
2. Uniforms –
    a. we will need to define whether use the uniforms from last year, and I will purchase more to make sure we have enough for both teams
3. Team Rules
    a. Tennis is a "Self Cut" team sport, meaning
        i. Show good sportsmanship
        ii. Be respectful
        iii. Do your best in both matches and in practice
        iv. Have fun
    b. We are a team:
        i. Help your teammates either through encouragement or helpful tips whenever possible and appropriate
        ii. During matches use your knowledge to help your teammates using good sportsmanship
    c. Parents – during matches, please help the team out with positive support for both teams, if you are a tennis player, or coach and see something happening during a match, please contact your coach directly, do not give suggestions to a player on

the court, even if that is your child, CIF states that only the coaches and the captains can give game instruction to the players

4. Practice – our regular school day practices will run from 2:30 – 4:30 M – F (when we don't have matches or bad weather), the players are expected to help setup and put the equipment away, also it is not a freshman hazing opportunity, it is everyone's responsibility
5. Fundraising – we are looking to have several opportunities for our team to raise money, we need everyone to try and take part in as many of these events that you can.
    a. Team needs
        i. Purchase more uniforms
        ii. Funding for the JV coach
        iii. Training equipment
    b. Efforts
        i. Snap!Raise - this will be the main focus of our fundraising efforts, it is an online, social media driven effort
        ii. We will need help from a parent or two to help write a request for the Centurion Foundation. We will be asking for help in adding to our training supplies.
        iii. I will need help in coordinating the fundraising efforts with our fundraising efforts, which may include pushing the fundraising request through the procedures.
6. Match etiquette –
    a. Help warm up not just yourself, but also every who may play in the match
    b. Do not walk behind a court that is in the middle of a point, wait until the point is completed and then quickly go to the next court.
    c. Support all our teammates and encourage them through their match
    d. Help with both setup and breakdown of the match
    e. If you have a problem agreeing with your opponent regarding it, try to work it out with them, but if you can't bring me over to help out.
    f. If you have an issue with someone who is not involved with the match, meaning other than you and your opponent and the coaches, please let me know. Neither a parent nor a non-captain cannot provide any coaching during a match. Also, coaches and captains can only provide coaching during the changeovers.
7. Parents – the areas that I will seek help from our parents will be
    a. Transportation and Snacks – please review the schedule to identify dates in which you can help with help with getting players to the matches and those dates you can provide snacks, then update the Google Sheet
    b. Fundraising – help with finding and organizing any fundraising efforts
    c. Team Parent – I will be looking for a team parent to help with several organizing elements, transportation, fundraising and organizing drinks/snacks on match days
    d. Postseason – help in setting up banquet and awards dinner

Thanks,
Coach Briese

Acknowledgement

For the player:

I, _____, have read and understand the rules and information contained in the team document.

Signature_____

For the parent (please have one of the players parents fill this in):

I, _____, have read and understand the rules and information contained in the team document.

Signature_____

Please complete and return this page to the parent meeting on Wednesday February 10 via Zoom. The meeting will start at 6 pm after our practice that day.
