Request for a grace period

Ladies and Gentlemen,

ZF Friedrichshafen AG will publish its first sustainability report according to GRI in June 2013. The data gathering for the completion of the GRI has not been completed yet and we would like to combine the publishing of the sustainability report and the Communication on Progress report for UNGC. ZF Friedrichshafen AG, therefore, kindly requests additional time for the COP submission until June 2013.

Heidrun Haffke
