

Graduation Coach/Site Coordinator

Qualifications

- Bachelor's degree preferred, and/or experience in social work, the social sciences, or a related field.
- Relevant work experience with middle and high school students.
- Strong interpersonal and communications skills. Desire to work with At-Risk youth.
- Ability to work independently and represent both Communities In Schools of Lenawee as well as Britton Deerfield Public Schools in a professional manner.

If you are interested in working closely with school staff and faculty to work with the Youth in your community finding resources to keep them on the path to graduation, then please consider a position with Communities In Schools Lenawee.

Every Child Needs and Deserves:

1. A one on one relationship with a caring adult.
2. A safe place to grow and learn.
3. A healthy start and a healthy future.
4. A marketable skill to use upon graduation.
5. A chance to give back to peers and community.

If interested, please send resume to Communities In Schools at:
