Deadline for Application:

December 31, 2018 (postmarked or email date)
Scholarship awarded Jan-Feb, 2019

Congratulations on your pursuit of a career as a PA and your success in the PA program. As a student currently in good academic standing and enrolled in a primary care PA program located in the state of California, you are eligible to apply for the Stuart Pinto Memorial Scholarship.

Stuart Pinto practiced as a PA for 35 years. PA Pinto's colleagues described him as very knowledgeable and a generous mentor. One long-time friend and colleague writes: A quote attributed to Maya Angelou describes Stuart so well: *"I've learned that people will forget what you said, people will forget what you did, but people will never forget how you made them feel."* At PA Pinto's memorial service, orthopedic surgeons, emergency medicine and family practice physicians, and PAs all spoke of how they looked to see if Stuart was on duty when they were new. If they saw that he was, they knew all would be okay because of his knowledge, generous mentorship, and professional excellence. They shared how much they valued the early lessons learned from Stuart Pinto, PA.

PA Pinto loved the PA profession. He loved assisting with the PA candidate interviews at a local university and experiencing the caliber and enthusiasm of applicants. He was a champion for optimal patient care and the special contribution PAs make in the spectrum of care. He was a student of opportunities and challenges for patient care. He encouraged CAPA participation and was a generous contributor to CAPA over several decades.

May candidates for the Stuart Pinto Memorial Scholarship be filled with inquisitiveness, passion for the PA profession, a commitment to excellent patient care, superb teamwork, kindness, and joy.
