CALIFORNIA MISSIONS GIVING

The Cooperative Program and California Mission Offering are the primary vehicles of supporting evangelism and missions in California and throughout the world. The Cooperative Program is Southern Baptists unified plan of giving to support worldwide missions and ministry. Each Southern Baptist congregation gives a portion of its undesignated receipts to support the state Baptist Convention. Each Convention gives a percentage of its budget to support the Southern Baptist Convention and its worldwide efforts. This plan provides opportunities to tell people about Jesus locally, statewide, nationally and internationally. The California Mission Offering is an opportunity to additionally support mission endeavors in California, one of the greatest concentrations of the unchurched in North America.

THE 2020 CSBC COOPERATIVE PROGRAM OBJECTIVE: \$6,425,000
