Carole Leathem

“Amazed” – Colossians 4:2-6 (NLT)

Pastor’s wife, blogger, story-teller and encourager

Carole grew up in an abusive alcoholic home. At 16 she begged God to help her stop the cycle of abuse and addiction that had plagued her family for generations. She now shares how God changed her life, broke the cycle of abuse, and gave her a new hope to make a difference in the lives of others.

Her passion now is challenging others to meet God, surrender to Him, and let Him mold them into the person He wants them to be and become. She has been married to Bill for 40 years. Bill is a retired pastor. They love to travel and Hawaii is their favorite vacation spot. They have two adult children who are both in full time ministry. Her favorite people in the world are her five grandchildren.
