## CERTIFICATION CLASSES

**DR CHAPLAINCY:** DR Chaplains offer non-threatening spiritual care for disaster victims and survivors through active listening, meeting basic needs and stabilizing crisis reactions. They provide resources for effective coping, stress management and spiritual wellness.

**CLEANUP & RECOVERY:** Cleanup & Recovery training includes various kinds of debris removal, temporary repairs, and site cleaning to restore individuals and churches to life after a disaster.

**INCIDENT COMMAND SYSTEM:** Training for a standardized on-site management tool utilized by all first responders. This tool is designed to enable effective, efficient management of the incident by integrating the use of facilities, equipment, personnel, procedures and communications operating with a common organizational structure.

**KITCHEN EQUIPMENT MAINTENANCE:** Ensures a mechanic is able to set up ascertain equipment is functioning and safe to operate and make repairs needed for equipment on a mobile kitchen unit.

**LAUNDRY UNIT:** provides knowledge needed to set up washers and dryers, do laundry as well as close down the unit. Laundry services also may be provided for disaster survivors and/or DR team members.

**FEEDING:** Through classroom and hands-on training, volunteers will learn to prepare and serve meals during disaster deployment.

**SHOWER UNIT:** provides knowledge to safely set up, operate, properly clean and close down the unit.
