A LIFE BEYOND

AMAZING

DEFINING MOMENTS

with DAVID JEREMIAH
Dear Friend,

Have you ever considered the wonderful purpose God had planned when you were born? Each of us is uniquely designed and gifted for a reason, and it is the desire of God’s heart that we reach our full potential in Him. Too often, if we aren’t careful, we allow the routine of living to take over—robbing us of our joy and spontaneity and so much more. Sadly, when that happens we never experience the truly abundant and amazing life that God planned for us.

Having an amazing life isn’t something that is acquired through achievement or riches, it is available through the fruit of the Spirit being lived out in us. God wants people to be filled with love, peace, and joy. He wants us to show compassion and to be generous to those around us. He wants us to display humility and self-discipline. In other words, He wants us to be like Jesus.

We only have one life to live, shouldn’t we live it the way God intended? That is the theme of the Turning Point fall tour, *A Life Beyond Amazing*. I hope you will join me for this event. I look forward to providing practical ways for you to experience the transformational power that is available through the Holy Spirit—allowing us to be God’s amazing light in a collapsing world. Abundant life doesn’t have to start when we get to heaven, it can be achieved today.

Donna and I look forward to joining you for an evening that could define the rest of your life—*A Life Beyond Amazing*.

David Jeremiah

*I have come that they may have life, and they may have it more abundantly.* (John 10:10).
Just as your home church needs volunteers to organize and operate your Sunday services, Turning Point needs volunteers to execute a successful event. We are looking for 150 people to help us on the evening of the event. Volunteers will still be able to participate in the night.

We need people willing to serve in the following areas:

- **Greeters** – Welcome attendees, distribute materials, and scan tickets.
- **Ushers** – Greet people in their sections and administer the offering.
- **Resource Sales** – Help sell product before and after the event at resource tables.

All volunteers need to arrive by 3:45 p.m. to give our volunteer coordinator an opportunity to explain specific roles before the doors open at 5:30 p.m. Note: Participants must be physically able to stand on their feet and walk throughout the arena.

If you are interested in volunteering, you can sign-up on our website at [DavidJeremiah.org/Tour](http://DavidJeremiah.org/Tour). Volunteers will receive a confirmation packet one week prior to the event date, stating instructions and details about the evening. We look forward to serving with you!
We invite you to join with us in your community. Resource materials available to you for successfully advertising this event include:

**A DVD Invitation from David Jeremiah:** This is a great way to communicate information about the *Life Beyond Amazing* event to a small or large group of people.

**A poster** for the *Life Beyond Amazing Tour*: Posters can be displayed in your church or in your community. Additional copies are available through the representative listed below.

**A bulletin insert** for the *Life Beyond Amazing Tour* designed to accompany your weekly church bulletin or to distribute as you wish. Additional copies are available through the representative listed below.

**These and other resources** are available for download—including graphics and a landing page for your website—at DavidJeremiah.org/promo.

Turning Point

Turning Point’s mission is to deliver the unchanging Word of God to an ever-changing world. We strive to promote ministry in the lives of our listeners by teaching them to reach their own circle of influence for Jesus Christ, supporting the local church, and encouraging the body of Christ. We are dedicated to the daily walk of our listeners and viewers by providing Bible study resources to help them grow spiritually. Turning Point is a nonprofit organization recognized for tax-deductible giving by the federal government. The ministry of Turning Point has several components including radio, television, and monthly giving programs like the Bible Strong Partners. Each message that is aired, whether over the radio or television, is presented by David Jeremiah, and the resources that we provide are derived from those messages. Turning Point is not underwritten by any church or organization, but is supported solely by our listeners and viewers.

Dr. David Jeremiah

A teacher of God’s Word for more than forty years, Dr. Jeremiah has served as the senior pastor of Shadow Mountain Community Church in El Cajon, California since 1981. The following year, he started a local Turning Point Radio and Television broadcast which now airs worldwide, reaching hundreds of millions of people in five languages and counting! In addition to leading his church and Turning Point ministry, Dr. Jeremiah is a favorite conference speaker and author. His books Signs of Life and What in the World Is Going On? were both on the New York Times, USA Today, and Wall Street Journal bestseller lists. He has authored forty other books including Captured by Grace, When Your World Falls Apart, Slaying the Giants in Your Life, Agents of the Apocalypse, People Are Asking... Is This the End? and A Life Beyond Amazing: 9 Decisions That Will Transform Your Life Today.
The winds of change are shaking our culture to its core today—economically, politically, globally, militarily—we are living in a civilization that is teetering on collapse like a tree in a storm with shallow roots. What caused this creaking of our society’s foundation? Too many people today do not have their roots planted firmly in the Word of God. Are we a reflection of our Creator? Or are we mirroring the conditions we find in the world? David Jeremiah has seen these changes and believes it is the crisis of our time—the crisis of character in our world.

David Jeremiah responds to this issue in his new book and tour, urging Christians to engage in the purpose and plan God has for us as His children. We do not have to wait until heaven to have abundant life—we can achieve it now—and when we do, the impact will be felt around the world.

Jesus declared, “I have come that they may have life, and that they may have it more abundantly” (John 10:10). We know Satan’s plans for the world, but through Christ we can have a fulfilled, amazing life through the fruit of the Spirit manifested in our lives.

This is the message we must share with Christians everywhere.

Dr. Jeremiah will examine topics that will change your life today—and tomorrow! By preaching a solid foundational message directly from Scripture, Dr. Jeremiah’s mission is to reach a lost generation, to engage apathetic believers, and to re-energize faithful Christians. Our world desperately needs us to be salt and light—showing love, peace, joy—being generous, compassionate, and diligent—and so much more that will not only enrich our lives but also our community and world.

These live events are provided free of charge and offer a great outreach opportunity. Invite your friends and family to attend and experience God-honoring worship, fellowship with thousands of other believers, and methods to embrace the amazing life God has planned for you. Each stop along the tour will feature Dr. Jeremiah’s Bible-strong teaching—a defining evening for all who attend as you discover A Life Beyond Amazing.
