

**Commission on Ministry With the Disabled
Report to the 230th Annual Diocesan Convention**

For the year 2013 the Commission on Ministry With the Disabled awarded grants to:

- Karen Reeman for continued studies in ASL.
- Trinity Cathedral for work on an ramp from the parking lot
- St. Alban's Church, New Brunswick for their sound system
-
- Trinity Cathedral for commencement of work to upgrade lighting in the nave

The Commission on Ministry With the Disabled continues to work with parishes and congregation to increase accessibility for members and visitors. Accessibility takes many views as our grants indicate. It is our goal to help make churches and congregations welcoming and comfortable to all of those who enter either as one-time visitors or as members and congregants.

Donna Devlin
Chairperson, Commission on Ministry With the Disabled
