Shared Double (3-4 dogs < 80lbs) is \$20.69 per night/per pet

Feline boarding (2ft by 2ft)

Single cat is \$20.62 per night

Medicine Fees

If your pet requires...

Insulin injections twice daily: \$17.12/day

Oral medication, injectable medication, or ophthalmic medication that the kennel staff cannot administer: \$10.50/day

Vaccine Requirements

Creature Comfort requires that all pets be current on vaccines prior to boarding.

The vaccines required for *canine* boarding are: rabies, dhpp (distemper, hepatitis, leptospirosis, parvo, parainfluenza), bordetella (within the past 6 months) and influenza.

The vaccines required for *feline* boarding are: FVRCP (panleukopenia, herpesvirus-1, calicivirus, chlamydia), leukemia, and rabies.

All vaccines must be administered by a licensed veterinarian. It is always best to have your pets' vaccine records with you when you drop off for boarding or grooming.
