

## The Carolina Lifestyle

Our vision at Carolina is to encourage elders to reclaim their roles as leaders, sharing wisdom and spirit essential to creating a better world for current and future generations. This location was originally a farm, giving nourishment and purposeful life for many years. Now as the home of elders, our goal is to continue to live this legacy, growing, learning, giving back, and preserving the legacy of those who live here. Visit Carolina, a place where you can feel at home and be part of the greater community.

## Life Enrichment

Engaging and diverse activities are scheduled. Are you interested in art, music, singing, dancing, classes and on-site entertainers? Perhaps you have been a life-long contributor to your community. Do you have a cause you want to volunteer for?

We know that exercise helps us live longer and healthier lives, and we have

daily exercise programs, walking clubs and gardening. We also plan off-site outings. We want to get to know you well so that we can help you continue doing the things you love to do, and perhaps learn new things too!

We are pledged to the letter and spirit of U.S. policy for the achievement of equal housing opportunity throughout the Nation. ## Taking care of the people who took care of us

Our Registered nurse provides guidance and training for our competent and caring teams. They have been educated in the person-centered approach to care, where the elder directs his or her needs. As you request, our team will assist with dressing, bathing, laundry, housekeeping, medication assistance, or other needs. Whether you require a little assistance or a lot - we are committed and honored to have the opportunity to take care of the people who took care of us.

# Welcome to Carolina Assisted Living!

Come experience our local home-centered community where Elders are the center of our care. Throughout the years, Carolina Assisted Living has grown from a small local farm house, to a vibrant joyful setting where people gather as friends.

Carolina Assisted Living is a place where people know each other well, exchanging stories and points of view in comfortable conversation—and also recognizing when it's time for a thoughtful stroll on your own or the chance to settle down with a good book. Our role is to provide assistance and support to help you be the best you can be and to live your life with the fullness you desire and deserve.

Selecting a community that fits your desires and needs with services and

amenities is important. More importantly, Carolina Assisted Living is a place where you feel the warmth of friendship. The sense of community among those who call Carolina Assisted Living home infuses our residents with a spirit for living.
