

Redneck Roadtrip

RULES: IDPA RULES

COURSE DESIGNER: Mike Seiler

START POSITION: Gun is loaded and laying in trunk with trunk closed. Standing at P1 with both hands on top of trunk.

SCENARIO: You and your cousin Bubba are out enjoying a nice ride on the backroads when you run across a freshly killed deer along the road. Rather than let good food go bad you stop to put the deer in the trunk. As you are opening the trunk Bubba goes to retrieve the deer and is attacked by a pack of wolves while kneeling down to admire your prize. Save Bubba, yourself, and next weeks supper from those wolves.

PROCEDURE: At the start signal open trunk to retrieve your gun and engage T1-T5 with one round each in tactical priority.
