Fuvahmulah Central Dive Center is a PADI 5-Star dive center located in the heart of Fuvahmulah, Maldives. Renowned for its world-class diving experiences, we are affiliated with Fuvahmulah Central Hotel and offer a spacious facility that accommodates over 30 divers. Our team of professional dive guides prioritizes safety while delivering unforgettable private tiger dives and all-inclusive dive packages tailored for divers of all levels—whether you're a beginner or a seasoned professional.

### Our Journey

Since our establishment in 2016, we have expanded from a small team into a network of dive centers across the Maldives. Our journey began with South Ari Dive Center in Dhangethi Island, followed by the launch of Drift Thelu Veligaa Resort and Cocoon Maldives Resort. In Fuvahmulah, we founded Fuvahmulah Central Dive Center with a mission to provide exceptional diving experiences, maintaining the highest standards of safety, service, and sustainability.

### Our Team

As a multi-cultural PADI 5-Star dive center, our team comprises experienced professionals dedicated to ensuring safe, thrilling, and immersive diving adventures. Our dive guides are certified by international scuba training agencies and hold professional liability insurance. Meanwhile, our boat crew, deeply rooted in local communities, are experts in both land and sea navigation. Together, we offer a warm, welcoming, and globally inclusive experience for all our guests.

Fuvahmulah is not just another dive destination—it's an adventure into the heart of the ocean's most thrilling encounters. As a unique, one-island atoll in the Maldives, Fuvahmulah stands apart with its pristine underwater landscapes and some of the most exhilarating shark dives in the world. Unlike other Maldivian atolls, Fuvahmulah lacks a surrounding reef, making it a magnet for large pelagic marine life, including its world-famous resident tiger sharks.

## WHAT MAKES FUVAHMULAH UNIQUE ?

### The Ultimate Shark Diving Experience

Fuvahmulah is globally recognized for its extraordinary shark encounters, especially with tiger sharks, which can be seen year-round. The island is home to a permanent population of these apex predators, offering divers the rare opportunity to observe them in their natural habitat under expert guidance.

**Beyond tiger sharks, Fuvahmulah's deep blue waters attract a variety of other shark species, including:**

#### Tiger Sharks

#### Thresher Sharks

#### Oceanic Mantas

#### Scalloped Hammerheads

### Fuvahmulah: The Ultimate Tiger Shark Diving Destination

Fuvahmulah is one of the best places in the world for year-round tiger shark encounters. Unlike other locations where tiger sharks are seasonal, these magnificent predators are seen every single day, making the island a global hotspot for tiger shark diving. Dive into the deep blue and experience uncaged, up-close encounters with these apex predators in their natural habitat. With crystal-clear waters, dramatic underwater drop-offs, and expert guides, Fuvahmulah offers one of the most thrilling and safe shark diving experiences on the planet. Whether you're a seasoned diver or a passionate underwater photographer, diving with tiger sharks in Fuvahmulah is an experience you'll never forget!
