Streamline your recruitment and hiring process by letting Job Corps send you job candidates who are **trained in your industry** and meet your needs. And, our service is at no cost to you—saving you time and money, and ultimately **improving your bottom line**.

## WHAT IS

# JOB CORPS?

Job Corps is a voluntary career training and education program that prepares young people ages 16 through 24 for careers in today's job market. We train, educate, assist with job placement, and provide postgraduate support for students. Our curriculum is designed to **meet industry standards**, and our graduates have the **hands-on experience, education, and employability skills** that you want.

Job Corps serves approximately **60,000 young people** each year. Most students leave home to receive career training at one of our 125 locations across the country. After graduation, students have the opportunity to relocate or pursue local employment.

# MEET YOUR NEXT **EMPLOYEE**

Job Corps graduates have the skills, training, education, and drive to become your next great employee.

When you hire a Job Corps graduate, your next employee will be ...

## **Dedicated.**

Job Corps graduates have taken the initiative to attend Job Corps to gain the skills they need to succeed.

## **Experienced.**

Job Corps graduates complete, on average, 8 to 12 months of career training and are eligible to earn credentials in their chosen career field.

## **Ready To Work.**

Job Corps graduates have their high school diplomas or the equivalent, have experience working in teams, and know what it takes to be successful on the job.

# A COMPREHENSIVE APPROACH TO CAREER TRAINING

Job Corps prepares its graduates for careers in **11 industries** with training that goes far beyond the classroom. Our students **learn by doing** and apply the skills they learn in **real work environments** under the supervision of experienced instructors.
