

Sabotage and Terrorism

Combined Liability GL/EL

COVER FOR DAMAGES AND EXPENSES FOR BODILY INJURY AND/OR PROPERTY DAMAGE

Overview

Coverage can include

- damages for bodily injury
- damages for property damage
- defence costs
- claims expenses
- GL will respond as the primary liability cover
- EL will respond as an excess layer to the insured's workers compensation cover, where applicable

Territories covered

- worldwide subject to underwriter's agreement

Limit available up to:

- USD 250m annual aggregate

Triggers

- when the insured becomes legally liable to pay any claim(s) for bodily injury and/or property damage, directly related to a terrorist event
- defence costs at the point the insured has a suit brought against them, for an insured peril

Proposal information required

- schedule of values and locations, including zip codes
- payroll figures
- employee count
- estimated visitor and guest count
- insured name and head office address
- any information on threats and losses in the past ten years
