<b>Flammability</b>	EN13501-1:2002 - Class Ef1 S1
<b>Standard Colours</b>	Due to variation in raw material bulk dye, matching may vary slightly from the colours shown on the standard shade card.

All specifications subject to normal manufacturing tolerances.

Cut-pile carpets, may show shading/pile reversal. This tendency is inherent in all cut pile fabrics and is not detrimental to the wear of the carpet. It cannot be considered a manufacturing defect. It should be noted and taken into consideration when selecting colours that darker shades camouflage soiling more than lighter shades. This applies particularly to contract installations.
