Dear Håvard,

We would like to congratulate SalmoBreed AS with the Code EFABAR certificate 2017.

It pleases us to see SalmoBreed supports the Code and commits itself to responsible breeding.

Since the Code EFABAR 2017 has just been launched we are currently not in the possession of any folders or other merchandise of the Code EFABAR 2017. However, we are planning on producing these and as soon as we receive them we will make sure SalmoBreed will receive a share as well.

If you have any questions regarding Code EFABAR, please contact us and we will be happy to answer them.

Kind regards,
On behalf of EFFAB,

Mirjam Spoelstra

EFFAB is an independent European forum representing farm animal reproduction and selection organisations. Our membership includes cattle, pigs, poultry and aquaculture.
