

How to Submit Cultivars to the Clean Plant Center Northwest Fruit Tree Program

CPCNW

1. Alert CPCNW Coordinator by email at cpcnw@wsu.edu that you intend to submit materials.
2. Ship plant material as follows:
 - a) Provide **4 budwood sticks** from a single tree; sticks should be the thickness of a #2 pencil, with **10 to 15 buds on each stick**.
 - b) Wrap budwood sticks in slightly moist towel for shipment.
 - c) Use a rapid and reliable courier, and send via Overnight Delivery.
 - d) Provide CPCNW with the courier's name, airway bill number, and date of shipping so that the shipment status can be monitored and action taken if problems arise.
 - e) Send to:

**Clean Plant Center Northwest
WSU-IAREC
24106 N Bunn Road
Prosser, WA 99350-8694**
