

WASHINGTON STATE UNIVERSITY PRESENTS:

SENSORY ANALYSIS OF FRUIT WINES AND CIDERS

On August 5, 2017, learn sensory evaluation techniques of fruit wines and ciders! Local wines and ciders will be showcased in this one-day workshop at the WSU Northwest Washington Research and Extension Center in Mount Vernon, WA. \$95/person includes materials, tastings, lunch, and refreshments. More information and link to registration at cider.wsu.edu.
