CITATION

Captain Charles E. McGee, AO 807 103, did distinguish himself between 3 August 1950 and 14 August 1950 by meritorious achievement while participating in aerial flights against invaders from North Korea. By successfully completing ten (10) combat missions in F-51 type aircraft, he greatly furthered the efforts of his squadron and the fighting forces of the United Nations. Captain McGee, flying at extremely low altitudes, did strafe, rocket, and bomb enemy troops, artillery, armament, and other war material; during these flights he was in constant danger from enemy aircraft, ground fire, and artillery. By his display of aeronautical skill and intrepid aggressiveness, Captain McGee proved to be a credit to himself and to the United States Air Force.

1. This Headquarters has been directed to effect your relief
   from active duty not later than sixty days from the date you receive
   this letter, unless you voluntarily request retention on active duty
   on a permanently non-flying status.

2. This action stems from the critical requirements for the

   Fiscal 1950 Air Force budget. Your selection was made by a Central
   Selection Board, composed of senior Air Force Officers which convened
   at Headquarters, Strategic Air Command.

TO: Commanding Officer
22d Bombardment Wing
March Air Force Base, California

1. Under the provisions of AFL 36-26, dtd 29 November 1949, I, Charles E. McGee, Captain, USAF, #0807103, rated pilot, voluntarily request retention on active duty in a permanent non-flying status.

2. I fully understand that this request for retention on active duty in a non-flying status is for continuation on active duty, and in no way affects the possible length of my active duty at the convenience of the Government or the terms of any Service Statements that I have signed or may sign. I understand that I will be considered on the same basis as other non-rated personnel for all future personnel actions.

3. I request that I be permanently removed from flying status and that my flying status personnel orders be suspended. I further understand that this removal from flying status will remain in effect until I have been relieved from active duty, at which time the flying status personnel orders I now hold, unless otherwise terminated, will become valid.

CAPTAIN CHARLES E. McGEE, Smoky Hill AFB, Salina, Kas, 23 August 1949

To: CHIEF of STAFF, USAF, Washington, DC

1. I have known Lt. Joseph F. Gomer personally for the period stated in per 1 basic communication, but except for a brief period, I as Operations Officer and he as a pilot flying base administrative aircraft, I have not commanded or supervised him in a duty assignment.

2. To my knowledge Lt Gomer is of high moral character, conscientious, and dependable. However I do not feel that I can justifiably rate him on performance of duty as an officer without direct observation and contact.
