JUST ME

A COUP SPOILS A SCOOP

That incredible creature, who (which) has been haunting the Main Office for the past three weeks might have been (1) little Pancho (2) Dick Tracy (3) a nebulous body (4) me. It was "me".

For 21 days this unbelievable product of humanity had been assigned by "firebrand" Okura to the "payroll story". For 21 days the officials denied any knowledge of the payroll. For 21 blood-curdling days he persisted. For 21 days he failed.

So on the 22nd day at 4:59 p.m., exhausted and red-eyed, hungry and dis-

couraged, he relaxed his never-ceasing vigil for a second and knocked off for "eats". At 5 p.m. on the 22nd day the office surreptitiously sneaked through an official bulletin on the payroll. But the El Joaquin had already "hit the streets".

If you happen to see a wild-eyed maniacal man with a hunted look, shrieking hysterically of a "sneak attack" and "Remember Pearl Harbor", he isn't, my friend, a (1) lunatic (2) Dracula (3) patriotic fanatic.

No, bub, that's just me.

The amount allowed to each person is determined by his length of stay at the center.

1028 WORKERS GET PAYCHECKS

Over \$6,000 were distributed Thursday and Friday to 1,028 Stockton Assembly Center workers, who mauled and fought their way to the Information Booth to receive their FIRST PAY CHECKS, covering the period from May 10 to June 9, inclusive.

All persons who have not yet received their pay checks may call for them at the Cashier's window on Monday upon presentation of their work button or orange work order and their signature.

Pay checks must be cashed either through outside friends or through one's own bank by correspondence until banking facilities are established on the grounds.

Plans are now in progress for a formation of a branch bank in the Stockton Assembly Center. Until a definite scheme is worked out, the Center-ites are urged to carry on transactions by mail.

However, according to Mr. H. Mundell, results are to be expected in the next few days.

"This is going to be a sane Fourth," said Fire Chief Martin "Dan'l" Murphy, referring to the expected absence of fireworks for the Fourth of July celebration here in the Center.

Sixty-five, blue-eyed, and once a possessor of flaming red hair, Murphy has been Fire Chief of Stockton for 24 years.

He was married 31 years ago, and has one girl who is married now. "She's got a papoose, too," proudly stated the Irishman.

"I'd like to ramble around and travel --- right around California," declared the Fire Chief.

As for his present job, he answered that he liked it "just fine" and added that "the cooperation of the people is wonderful."

'WE'LL KEEP SCOUTING WITH YOU,' SAYS HAWKINS AT COURT OF HONOR

"No matter where you go, we'll keep Scouting with you," said Mr. Bill Hawkins, Scout Executive of San Joaquin, Calaveras Council, at the Court of Honor held last Tuesday evening, when 45 boys received their Scout awards.

Dr. Mann, Commissioner of the East Side District of Stockton, who was the chairman of the program introduced Mr. J. C. Cave, Dean of Boys of Stockton High School, who stated, "I am happy and proud to know that you people are keeping up your spirits, living under the conditions you are." In conclusion, he added, "Let's hope all the great misunderstandings of both our countries will come to an end."

FIRST AID

According to Mr. Bill Buettner, all fifteen First Aid students passed their Advanced course last Wednesday.

Mr. Herman Smith, the American Red Cross Representative in Stockton, will offer the Instructors' course next Monday at 9:30 a.m. at the Visitors' Booth. All those who have taken the Advanced course previous to the evacuation are urged to turn out.

Hot dog! You're gonna have hot dogs today -- FREE! and with all the lemonade you want. The Mess Department will distribute over 10,000 wieners under the grandstand this afternoon between 2 and 4 p.m.

Everyone who cares for lemonade is asked to bring his own cup, because the Mess Department has not been able to obtain them.

FURL YOUR CURLS

Hair ye! Hair ye! There is nothing more un-neat and hot looking than sloppy hairdresses, so, girls, let's be careful! Millions of pin curls are quite a job in this heat, and with necessary frequent shampoos (water free), let's try something simple and sweet.

Most popular coiffure of the women in the center--is the "pig-tails" of the school daze. It's neat and concise. Another hair styling is the formal-looking "upswing" or "updo" in variations. It is especially nice for the shorter women as it tends to give the person a straight upward line.

Also, a much-seen hair-do is the "French braid";

it may be hard to put up yourself for the first time -- so have someone assist you. You'll pin on to it fast!!

It isn't Bull (Durham), but roll your own!.....You might try the "bandana roll-up" style.....Directions: Roll the bandana; tie around crown of the head; roll or tuck the hair around the bandana.....

If you want to be entirely different and want to start a new vogue--compete with the boys' "Hitler trim" (or, rather, vice versa)--and get a women's "Victory bob".....

MESS COMMITTEE SUBMITS REPORT

Following the meeting of chefs and the compilation of Center opinion, the Mess Committee composed of Block Representatives and the Advisory Board members submitted the following report to Mr. L. C. Shaffer, who requested suggestions pertaining to feeding and housing.

Parts of the report have been deleted; however, the more important recommendations have been retained.

QUALITY: The quality of the food served in the Center always has been good, except for one or two items which will be listed under recommendations.

QUANTITY: The amount of food served should be increased. On several occasions, sufficient food was lacking for the third shift, particularly in the quantity of meat served.

VARIETY: The variety of food served is satisfactory under the present circumstances. Since, the committee feels that with the present kitchen space and facilities, it would only make work more difficult for the mess crew to add more variety.

RECOMMENDATIONS:

1. Rice: There has been a definite improvement in the quality of rice, but since rice is an important item in the Japanese diet, we recommend the use of the better or best quality.

In order to cook rice properly, we strongly urge the authorities to provide proper and necessary facilities and kitchen equipment at relocation areas and centers as well as at assembly centers.

2. Eggs: The present weekly supply of eggs should be increased so that a certain amount can be available for use in preparing other foods.
3. Miso: More requested because it is a necessary Japanese food item.
4. Canned Fruits: Requested in order to add variety to desserts. It would be an ideal substitute for jello because the latter cannot be prepared and served during the extremely hot summer weather.
5. Curry Powder: Requested by chefs but at present there is no supply in the local Center's warehouse.
6. Fish: The consensus opinion of Center residents favor the serving of mackerel and sea bass rather than salmon and solo.
7. Ice Distribution: With the coming of hot weather, we request that an increased supply of ice be made available for use in the Center mess halls.

SHOE REPAIR

Going barefoot? Well, you don't have to -- not any more.

Cavagnaro's Shoe Repair truck will make a tri-weekly trip to the Center on Monday, Wednesday and Friday from 8:30 to 9:30 a.m.

Center-ites will be given a coupon with the price of the repair on it, and on the next trip pay for shoes in cash.

Without much doubt the classy American League All-Stars will go into the Center's mid-season softball classic as a heavy favorite to hand the National League All-Stars a nice trimming tonight.

They definitely hold a superiority on defense while offensively, they must also be given a slight odd.

However, the pitching and the catching will, as usual in an all-star affair, take the spotlight. These two positions will play an important factor in such a tense contest as this where victory virtually rides on every pitch.

Again the American League Stars seem to have a slight advantage. Their ace is without question Mike Takeuchi, who easily possesses the steadiest control in the major loop, and for blazing speed they will rely on southpaw George Kagawa to pull them through.

However, the big question is, "Will the American League sluggers be able to solve the crafty hurling of Fred Ito, the major league's only unbeaten pitcher?"

His roundhouse has been handcuffing the Nats' batters and whether he can duplicate the feat against the barrack-busting American League sluggers such as Horita, Kishi and Kamibayashi & Co. is yet to be seen.

Speaking about All-Star teams, this column was the recipient of an American League selection by an anonymous writer.

His so-called all-star, we think is pretty good and is as follows:

G. Kagawa, Kiwanis.....P

A.L. ALL-STARS MEET N.L. STARS ! AMERICAN LEAGUERS FAVORED

In the spotlight attraction of the Fourth of July's gigantic athletic extravaganza, the American League All-Stars will match the cream of the National League players in the Center's first mid-season softball classic tonight on the Recreation Field's pebble-filled No. 3 Diamond from 7:00 p.m.

Oozing with brilliant all-around players the American Leaguers are rated as a favorite to turn back whatever the National League Stars have to offer in softball talents.

But the Nats cannot be completely counted out because they possess youth and speed in young George Oune, Kin-

ji Hiramoto and Jim Hiromoto and over a decade of experience in such well known stars as Matsuo Okazaki, Rogan Miyanishi, Sam Funamura, Frank Mirikitani and Nobu Matsumoto.

Southpaw George Kagawa, Kiwanis' speedball hurler will be Manager Babe Utsumi's first choice to start on the hilltop and then halfpint Mike Takeuchi, pride of American League chuckers will finish the contest. Relief chores will be taken care of by Senators' cool Kuni Kawamura.

For the National League All-Stars, Manager George Horita will start off crafty Fred Ito, the loop's leading pitcher, to try to halt the vaunted American League's offensive attack.

The season's largest softball crowd is expected to jam the diamond for this thriller so fans are urged to bring their own chairs.

Three officials from the Umpire's Association will handle the game.

'BUMS' MOVE INTO 2ND SPOT

The hottest club in the American League race today is none other than Babe Utsumi's sizzling Bums from Block 4.

In the last six games they played, they have come through with 5 wins to move into second position with the Yanks.

Wednesday nite they kept up their record by swamping the Bombers 16 - 4 and once again were led by the Baishiki brothers, who collected 5 hits between themselves.

Paced by all-star Mas Okuhara, who slugged the apple for a perfect 3 for 3, the league-leading Reds went on as they pleased by dumping the Kiwanis 8 - 4.

REDS DOMINATE AMERICAN LEAGUE ALL-STARS!

The championship bound Blk. 5 Reds dominated the American League All-Star squad, which will clash with the National League All-Stars tonight, by placing seven players on the dream team.

The Trojans and Kiwanis followed with four and three stars, respectively, while two were selected from the Rainbows and Yan-

kees and one apiece from the Aristocrats, Bums and Senators.

Kiwanis' George Kagawa, Reds' Mike Takeuchi and Senators' Kuni Kawamura were pitchers selected.

Reds' Butch Hayashi was the choice of the catcher, along with Manini Sakuda of the Rainbows. Frank Horita of the Reds, the major league's home run swatter

deluxe, was the unanimous selection for the initial sack and will be assisted by the Bums' Ted Ohashi.

The Keystone position will be handled by Reds' Freddie Masai with Yanks' George Morino as second choice. Bertram Hari of the colorful Rainbows and Ishi Sano of the Trojans were the naturals for the

HAGGETTES VS. G.L. STARS!!

By Jun Kasa

Highlighting the feminine sports events for the Fourth will be the twilight grudge affair between the classy Girls' League All-Star and the All-Center Haggettes on Diamond #1.

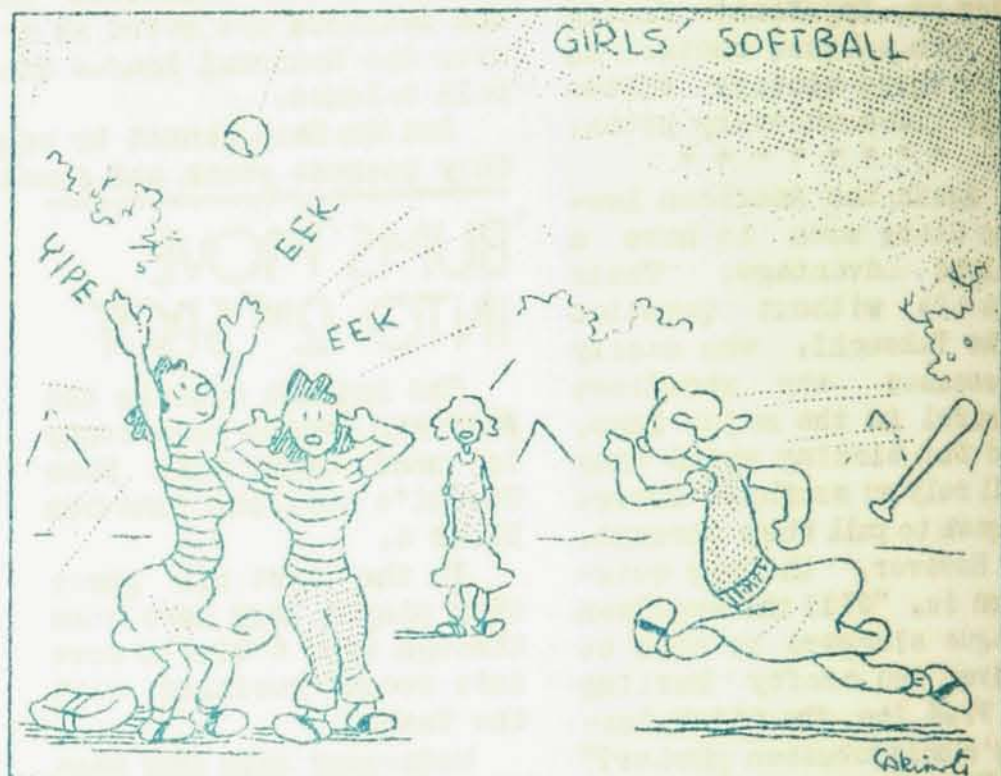

Toshi Ohata, fireball flinger of the championship Flamettes, will be Manager Polly Baba's starter for mound duty. Slugging Bette Ouye will slave behind the plate for the All-Stars.

The broken-down Haggettes will try to shoot the works by sending their highly-touted combination direct from Monterey, speedball chucker, Miyo Enokida, and sticky-fingered catcher, Yoshiko Miyamoto. Among the other "oldtimers" who will be out for the kill are Yuki Kato, Babs Inamasu, Grace Hagio and Teri Tsunekawa of Stockton Busy Bee fame.

Sumo

A practice Sumo tournament will be held tonight from 7:00 p.m.

The main event which begins after the All-Star game will feature the West team (Blk. 1-2-3-4-5) vs. East squad (6-7-8-9).

ITO HURLS SHUTOUT FOR POOP-OUTS. CARDS WIN 7TH!

Undefeated Fred Ito shut out the Hell Divers on a 4-hit job as the pace-setting Poop-outs raided Dick Shimaseki for a 3 - 0 victory.

It was the Old-timers' 9th straight victory without a setback and they now hold a comfortable two game lead.

The desperate Cards held a firm grip on 2nd position as they blasted the Grape-pickers 18 - 8.

JUDO TOURNAMENT TODAY

PACIFIC COAST LEAGUE STARS BATTLE EACH OTHER

By Pop Suzuki

There won't be any fire-crackers exploding hereabouts on July 4th, but softball fans should see plenty of action and thrill when the picked players from the newly organized Pacific Coast League tangle against each other in an All-Star encounter tomorrow nite at Diamond #2.

The personnel of these super all-star teams consists of many former diamond luminaries. "Other Leagues"--meaning National and American--"got nothing on us," say the old timers. In fact both teams are well provided with "brains" as well as plenty of "beef", but whether they are as fast and agile like whippets when it comes to playing ball, remains to be seen.

Taking advantage of the full moon these last few nights, the respective teams have been in intensive secret practices; but whether it will show to advantage during daylight baseball, the contest alone will reveal the truth.

Among the former Stars on display and who will show their stuff and attempt to "Go through the Motion" are: Chuckers Al Hefty Kawasaki, Biff Usui, Doc Yoshimune, Pipe Nozawa, Ted "Will Rogers" Oseto, Paul "Smiley" Matsumoto and hit or miss "Bambino" Doc Kanagawa. Paul "Mickey Mouse" Sato, the premier hot corner custodian of Blk. 2 Seattle ten, is scheduled to give special sliding exhibitions before the crowd.

(Continued from Page 6) hot corner. Two smoothies were chosen for the important shortstop job, namely, Reds' classy Frank Kamibayashi and Yanks' Frank Arata.

Red's M's Okuhara and Ted Kamibayashi, Kiwanis' unheralded star, Joe Kishi, and fast Ben Chikaraishi of the Trojans will comprise the starting A.L.'s outfield. Ready to go in will be Trojans' Teruo Hirose and Tosh Nishimura, Aristocrats' Gunji Sakoda and Shig Kaba of the Kiwanis.

JUNIOR LEAGUE ALL-STARS PLAY BALL SUNDAY NIGHT

Future Nisei and Sansei diamond stars will go on exhibition, when a picked squad from the Troys, Dive Bombers, Flyers and Cubs cross bats against the selected stars of the Smallfrys, Flames, Jr. Aristocrats and Seals tomorrow night on No. 3 Field at 7:00 p.m.

Pint-sized Yukio Kawamura, Smallfry's ace hurler, will take the mound and will be opposed by Dive Bombers' brilliant Kiyozo Toyofuku, one of the better pitchers of the Junior League.

Toyofuku is also expected to shine at the plate because he will enter the fracas with a better than .500 mark. The game is rated as a toss-up so breaks should play an important role.

LOOK TO TOMORROW

One hundred and sixty-six years ago today, the thirteen colonies were united by the signing of the Declaration of Independence.

Since then, over a century and a half of constant struggle and progress have taken place. It has resulted in the molding of these United States--a symbol of great wealth and progress.

It is particularly important for us on this day to investigate and reaffirm the policies of the Continental Americans and to reinstall in our hearts the essence of freedom which they had forwarded.

Our personal status for the period of the war is settled. Peace will eventually come. Then with the fruits of democracy preserved, we can once again enjoy the full rights and privileges as Americans.

So on this Fourth of July, let us cast our vision into the future and celebrate.

"Something is wrong with my chickens. Every morning I find two or three lying on the ground cold and stiff with their feet in the air. Can you tell me what is the matter?"

After a little while she received the following reply:
 "Dear Madame: Your chickens are dead."---Exchange

Of course you know the way to tell the sex of a penquin: Tell it a joke. . . If he laughs, it's a male. . . If she laughs, it's a female. Walter Winchell, New York Daily Mirror.
