By his length of stay at the center, each person is determined by his Service Division, who makes the proper application for it at the Information Booth with Kay Kato. For 21 days, this unbelievable product of humanity had been assigned by "firebrand" Okura to the "payroll story". For 21 days the officials denied any knowledge of the payroll. For 21 blood-curdling days he persisted. For 21 days he failed.

So on the 22nd day at 4:59 p.m., exhausted and red-eyed, hungry and discouraged, he relaxed his never-ceasing vigil for a second and knocked off for "eats". At 5 p.m. on the 22nd day the story surreptitiously snuck through an official bulletin on the payroll. But the El Joaquin had already "hit the streets".

If you happen to see a wild-eyed maniacal man with a hunted look, shrieking hysterically of a "smack attack" and "Remember Pearl Harbor", he isn't my friend. (1) Frankenstein (2) Dracula (3) patriotic fanatic. No, but that's just me. ....by Sus Hasegawa.

Outdoor Movies

There will be outdoor movies at the West end of the grandstand tonight, beginning 9:15 p.m. Features to be shown are the "Lost World", starring Lewis Stone and "Rip Van Winkle", a cartoon.

FREE CLOTHING

It was officially announced by Mr. Harold Mundell, the Center manager, that the government will issue clothing to anyone who has made the proper application for it at the Information Booth with Kay Kato of the Welfare Section of the Service Division.

The amount allowed to each person is determined by his length of stay at the center.
"This is going to be a
same Fourth," said Fire
Chief Martin "Dan'il" murphy,
referring to the ex­
pected absence of fireworks
for the Fourth of July
celebration here in the
Center.
Sixty-five, blue-eyed,
and once a possessor of
Flaming red hair, murphy has been Fire Chief of
Stockton for 24 years.
He was married 31 years
ago, and has one girl
who is married now. "She's
got a papoose, too," proudly
stated the Irishman.
"I'd like to remix a
round and travel — right
around California," de­
clared the Fire Chief.
As for his present job,
he answered that he liked
it "just fine" and added
that "the cooperation of
the people is wonderful."

FURL YOUR CURLS

Hair ye! Hair ye! There is nothing more un-seen and hot looking than sloppy hairdressers, so, girls, let's be careful! Millions of pin curls are quite a job in this heat, and with necessary frequent shampooings (water free), let's try something simple and sweet.

Most popular coiffure of the women in the center is the "pig-tails" of the school daze. It's neat and concise. Another hair styling is the formal-looking "upswing" or "updo" in variations. It is especially nice for the shorter women as it tends to give the person a straight upward line. Also, a much-seen hairdo is the "French braid".

MESS COMMITTEE SUBMITS REPORT

Following the meeting of chefs and the compilation of Center opinion, the Mess Committee composed of Block Representatives and the Advisory Board members submitted the following report to Mr. L. C. Shaffer, who requested suggestions pertaining to feeding and housing.

RECOMMENDATIONS:

1. Rice: There has been a definite improvement in the quality of rice, but since rice is an important item in the Japanese diet, we recommend the use of the better or best quality.

2. Eggs: The present weekly supply of eggs should be increased so that a certain amount can be available for use in preparing other foods.

3. Miso: More requested because it is a necessary Japanese food item.

4. Canned Fruits: Requested in order to add variety to desserts. It would be an ideal substitute for jello because the latter cannot be prepared and served during the extremely hot summer weather.

5. Curry Powder: Requested by chefs but at present there is no supply in the local Center's voucher.

6. Fish: The consensus opinion of Center residents favor the serving of mackerel and sea bass rather than salmon and sole.

7. Ice Distribution: With the coming of hot weather, we request that on increased supply of ice be made available for use in the Center mess halls.

The championship bound Bli. 5 Reds dominated the American League All-Star squad, which will clash with the National League All-Stars tonight, by placing seven players on the dream team.

The Trojans and Kiwanis followed with four and three stars, respectively, while two were selected from the Rainbows and Yanks and one each from the Aristocrats, Rams and Senators.

Kiwanis' George Hayashi was the choice of the catcher, along with Kiwamii Sakiaki of the Rainbows. Frank Horita of the Reds, the major league's home run leader, was the unanimous selection for the infield and will be assisted by the Rams' Ted Ohashi.

The Keystone position will be handled by Reds' Freddie Kazai with Yanks' George Morico as second choice. Bertman Hart of the colorful Rainbows and Toshi Sano of the Trojans were the naturals for the (Continued on page 7)

Highlighting the feminine sports events for the Fourth will be the twilight grudge affair between the close Girls' League All-Star and the All-Center Haggettes on Diamond #1. Toshi Ohotsa, fireball pitcher of the championship Haggettes, will be Manager Polly Baba's starter. Back-up duty in the plate will be behind the plate for the All-Stars.

The broken-down Haggettes will try to shoot the works by sending their highly-touted combination direct from Monterey, speedball snapper, Miyo Enokida, and stick-to-finger catcher, Yoshiko Miyamoto. Among the other "oldtimers" who will be out for the kill are Yuko Kato, Baba Inamasa, Grace Hagio and Teri Tanakawa of Stockton Busy Bee fame.

A practice Sums tournament will be held tonight from 7:00 p.m. The main event which follows after the All-Star game will feature the West team (Bli. 1-2-3-4-5) vs. East squad (6-7-8-9).

There won't be any firecrackers exploding hereabouts on July 4th, but softball fans should see plenty of action and thrill when the picked players from the newly organized Pacific Coast League tangle against each other in an All-Star encounter tomorrow night at Diamond #2.

The personnel of these super all-star teams consists of many former diamond luminaries. "Other Leagues"—meaning National and American—"got nothing on us," say the old timers. In fact both teams are well supplied with "brains" as well as plenty of "beef," but whether they are as fleet as whippets when it comes to putting ball, remains to be seen.

Taking advantage of the full moon these last few nights, the respective teams have been in intensive secret practices; but whether it will show to advantage during daylight baseball, the contest alone will reveal the truth.

Among the former Stars on display and who will show their stuff and attempt to "Go through the Motion" are: Chueko Al Hefty Kawasaki, Biff Usui, Loe Yoshimune, Pipe Nozawa, Ted "Wlll Rogers" Oseto, Paul "Smiley" Matsumoto and hit or miss "Bambino" Doe Kagawara. Paul "Mickey Mouse" Syto, the premier hot corner custodian of the Seattle ten, is scheduled to give special sliding exhibitions before the crowd.

JUNIOR LEAGUE ALL-STARTS PLAY BALL SUNDAY NIGHT

Future Nisei and Sansei diamond stars will go on exhibition, when a picked squad from the Troys, Dive Bombers, Flyers and Cubs cross bats against the selected stars of the Smallfrys, Flames, Jr. Aristocrats and Seals tomorrow night on No. 3 Field at 7:00 p.m.

Pint-sized Yukio Kawamura, Smallfry's ace hurler, is expected to shine at the plate because he will enter the fracas with a better than .500 mark. The game is rated as a toss-up so breaks should play an important role.
EDITORIAL

LOOK TO TOMORROW

One hundred and sixty-six years ago today, the thirteen colonies were united by the signing of the Declaration of Independence.

Since then, over a century and a half of constant struggle and progress have taken place. It has resulted in the molding of these United States—a symbol of great wealth and progress.

It is particularly important for us on this day to investigate and reaffirm the policies of the Continental Americans and to reinfuse in our hearts the essence of freedom which they had forwarded.

Our personal status for the period of the war is settled. Peace will eventually come. Then with the fruits of democracy preserved, we can once again enjoy the full rights and privileges as Americans.

So on this Fourth of July, let us cast our vision into the future and celebrate.

FIKE CRACKS

The widow of a farmer had some difficulty with her hens, and wrote the following letter to the Department of Agriculture in Washington:

"Something is wrong with my chickens. Every morning I find two or three lying on the ground cold and stiff. Can you tell me what is the matter?"

While she received the following reply:

"Dear Madame: Your chickens are dead."—Exchange

Of course you know the way to tell the sex of a penguin. Tell it a joke. If he laughs, it's a male. If she laughs, it's a female. Walter Winchell, New York Daily Mirror.

OUR NEIGHBORS

POMONA

Pomona's conception of Tule Lake was a beautiful summer resort with swimming pools and all the trimmings. We only got as far as lakes and trees.

Incidentally, K. H. of the Tule Lake administration has officially adopted the two-word spelling.

How green was my center. Grass seeds to plant around the barracks are being ordered by the supply division. Says B. Nixt, Supply Officer, "This will not only beautify the center, but it will hold down the dust as well."

Let's E. Nixt!

SANTA ANITA

The boys are in for a hard, hard time. Girls are now enrolling in judo classes.

Oh, oh. . . . Santa Anita has their toilet paper rationed.

FRESNO

Ice cream was served at meal last Sunday. We had ice cream, too—i.e., the form of a rumor.

TULARE

What will they have next? A geta contest has been started also.

Speaking of exhibits, we are told that the TULARE NEWS will hold open house—the purpose—to show the public how a newspaper is run.

Well, well! If that's the case, the EL JOAQUIN has been holding open house since its birth. Hint, hint, Center-ites.

SALINAS

To the land of sun and sand.

Quotation found in the VILLAGE CRIER: "No one is entirely useless. Even the worst serve as horrible examples."

Tamales signing off till the next time.
