4-H Busy! Busy! Busy!

The Mariposa County 4-H Youth Development Program has been really busy this spring. Since March, 4-H members have been absorbed with their projects along with showing off at the County and Regional activities and events. Presentation Day, STIR Conference, 4-H Expo, Regional Presentation Day in Stanislaus County, Fashion Revue/Style Show, Camp Tweety, and Spring Show are the various events that have taken place.

With these activities over, now the members and leaders start preparing for the Mariposa Fair. Searching for that special animal, finishing off the hem of a dress, or tattooing their bunny’s ear are a few items for the 4-H member to do. Besides finishing a project, each member must do their project presentations, update their 4-H record books, have 80% of club and project meetings by July 16th before their fair entry is signed by their project and community club leaders and stamped by the CE Office. Summer is fun, but a lot of work for the 4-H members. But it will pay off at the fair, when they receive a special ribbon, or sponsored award for their hard work.

If your child is interested on joining 4-H this upcoming program year, there will be a fair booth with information on this great youth program, or you can call the CE Office at 966-2417.
