A Legal Service for Persons with AIDS and ARC
A diagnosis of AIDS or ARC is a shattering experience for anyone. It changes your life—makes you ask questions you’ve never asked. And it forces you to pay attention to matters you may have taken for granted or simply avoided: matters like your health, relationships, living situation, or what happens when you die.

But it can also be an opportunity to take charge of your life and to make your own decisions about issues that are important to you, such as who will take care of your pet, who will receive your property, who will become the guardian of your child, or who will arrange your funeral after your death.

You need to plan for the future, regardless of your health, age or assets. You need to make your own decisions about living and dying, and not simply allow others—a physician, judge, or distant relative—to make these critical and personal decisions for you.

But if you have a life-threatening illness you must make these decisions early. Through a document called a Durable Power of Attorney for Health Care, you may invest in someone else—a lover, spouse, close relative, or trusted friend—the right to make decisions about your medical care. Through a general power of attorney you may authorize someone to manage your financial affairs on your behalf. And through a Will you may make binding instructions on how your property will pass after your death. The AIDS Legal Referral Panel can help you prepare all these documents.

WHAT IS A WILL?

A Will is a legal document that governs how your property and assets will be distributed at your death. An AIDS Legal Referral Panel attorney can work with you on setting up a simple Will, that is, a Will without trust provisions. The attorney will draft a formal document that sets out your specific instructions on how you wish your property to be distributed. This Will is then signed before two or more witnesses.

Certain types of property are distributed by means other than a Will. Examples of such property passing "outside" the Will include:

- real estate in which the title is held in joint tenancy;
- checking, brokerage, and other financial accounts held in joint tenancy;
- life insurance proceeds when a charity or person is named as a beneficiary; or
- property held in trust, including simple savings bank trusts and living trusts.

All your other assets—from your personal bank account to household items to real estate owned by you alone or as a tenant-in-common—pass according to the terms of your Will. In addition, you can leave valuable instructions in your Will regarding your funeral, burial or cremation, or regarding your selection of a guardian for your children.

WHAT HAPPENS IF YOU DO NOT MAKE A WILL?

If you die without a valid California Will, your property passes according to a complex legal scheme to spouses, children, or blood or adopted relatives. Your lover or friend receives nothing, regardless of the length or importance of your relationship. Nor will any of your money or property go to your favorite charity, even if you told your friends and family that you wanted your money to help fund a particular nonprofit service. Finally, if you die without a Will and no close relative can be found to inherit your property, it will pass to the State of California.
CAN YOUR WILL BE CHALLENGED?

You may be concerned that your family will try to set aside your Will. If you are 18 years old or older and have the mental capacity to make a Will, your Will should be recognized as valid. “Mental capacity” to make a Will is a legal standard that is impossible to define with certainty, but generally means that:

1) You are aware of the kind of property you own and where the property is located;
2) You are aware of the existence of your family members, spouse, or children and that they are the persons who would usually receive your assets (whether or not you finally decide to name them in your Will); and
3) You understand what property you want to give to whom.

If someone deprives you of your free will by unduly influencing you or misleading you into disposing of your property in a way you would not otherwise have done, all or part of your Will may be held invalid. One reason to execute a formal Will is the presence of witnesses who can later testify to your mental capacity and to the lack of undue influence.

You can avoid claims of “undue influence” or “lack of mental capacity” if you make your Will as soon as possible while you are reasonably healthy. Your health may rapidly change, and legal challenges to Wills are often made on the basis that the Willmaker was too weak to know what he or she was doing.

HELPING YOU MAKE YOUR WILL

If you are a person with AIDS or ARC, contact the AIDS Legal Referral Panel during business hours. The Panel will arrange for one of its volunteer attorneys to draft your simple Will or Durable Power of Attorney. No fees are charged for these basic legal services. If you are unable to make an office visit, a Panel attorney will come to your home or hospital room.

To assist the attorney in her or his drafting of your Will, please answer the following questions before your meeting. If you do not understand a particular question, ask your attorney. He or she will answer any question you may have about your Will.

Dear AIDSLaw Conference Participant:

Welcome to AIDSLaw, the national conference on providing legal services to Persons with AIDS and AIDS-Related Complex (ARC).

AIDS is not only a national health crisis. AIDS is a national legal crisis as well. Except in a few isolated cities, the legal community has simply not responded to the critical and special problems of the 1.5 million Americans with AIDS, ARC and HIV infection.

Your participation in today's conference may change that. The goal of AIDSLaw is to create new AIDS legal projects and to improve existing AIDS legal services. With your help, Persons with AIDS and ARC will be able to find affordable, high quality legal assistance no matter where they live. In short, your legal skills can make an immeasurable difference in the lives of desperately needy clients.

The AIDS Legal Referral Panel of the San Francisco Bay Area is proud to be the host of today's event. We hope you will take the training and materials back to your communities, adapt the information to address your local problems, and begin to offer free and low cost legal services to individuals who face life-threatening illnesses.

Enjoy your day at the national AIDSLaw conference and enjoy your weekend in San Francisco.

Cordially,

Clint Hockenberry
Administrator

National Lesbian & Gay Law Association Formed

On November 13, on the closing afternoon of the Lavender Law Conference, gay and lesbian lawyers, legal workers and law students from around the nation formed the first national bar association for our community. The legal organization was named the National Lesbian & Gay Law Association (NLGLA), and claims over 600 attendees of the Lavender Law Conference as its founders.

The organization has 12 regions with male and female co-representatives from each region forming the board of directors. Ron Albers, founding Board Member and former Co-chair of BALIF and Katherine Triantifillou of Boston were elected National Co-chairs of NLGLA. Co-chairs elect are William Kelley of Chicago and Abby Rubenfeld of Nashville.

“NLGLA’s first task will be to solidify our regional representative structure,” said Ron Albers. “We are planning our coming out meeting in Denver at the ABA convention this February. We hope to have a presence and a voice in the passage of pending resolutions on lesbian and gay rights at the ABA meeting. We will then be focusing on the development of our national membership and regional caucuses.”

If you are able to help out at the ABA Convention, please contact Ron Albers at 553-1671. BALIF took a leadership role in the development of NLGLA, beginning at the national March on Washington last year. We offered to host the Lavender Law Conference, and had tremendous involvement in the planning and execution of the conference. BALIF will continue to provide leadership in the development of our national bar association.

One of the significant developments at NLGLA’s plenary session was the consolidation of northern and southern California into one region. BALIF member Peter Fowler argued successfully that the joinder of California into one region would help our efforts to strengthen BALIF and gain a significant presence within the State Bar.

This is an opportune time for a high-profile national bar association to promote issues of concern to lesbians and gay men, and serve as a liaison with the established bar. As stated by Ron Albers, “The ABA should be thrilled that we exist. We will bring new members into the ABA, focus on the concerns of quality legal performance and ethics. We will provide the ABA with tremendous knowledge on issues of health care and legal services, among other issues.”

John J. Sweeney, director of the ABA’s Division for Bar Services notes that NLGLA will be in a position to participate in leadership training conferences and other services open to see page 6

AIDS Initiatives

We can be proud that for the second time in six months we were part of an effort which successfully defeated a regressive AIDS initiative; this time it was the Dennehyer Initiative, Prop. 102. Seventy BALIF members sponsored the No on 102 lawyers event which raised $15,000 for the campaign. The large margin of victory surprised many of us; we were also pleased to see that Governor Deukmejian's shameful support for Prop. 102 probably helped its defeat by inspiring other public leaders, such as Surgeon General Koop, to oppose the measure.

Unfortunately, the second AIDS initiative on the ballot, Proposition 96, did pass. And the next day, Fernando Villaneuva became the first person ordered tested under the new law. Villaneuva had pled guilty to assaulting a police officer whom he bit on the forearm after being stopped for investigation of a traffic infraction. Testing was ordered even though there are no recorded cases of transmission of AIDS through biting.

Clearly, Proposition 96 provides a dangerous loophole which law enforcement may use in circumventing California's confidential and anonymous testing laws. Anyone having any contact with the criminal justice system, including AIDS activists, is vulnerable under this new law. Elsewhere in this newsletter, Matt Coles describes a test case being prepared to challenge Prop. 96. We will attempt to keep you posted on further efforts to limit the scope of Proposition 96.

Stanford

Other news of a more positive nature: Stanford law students are planning a panel discussion of career opportunities for lesbian and gay attorneys. Some of you may have probably been contacted by them already regarding participating; if anyone wishes further information, they can contact Stanford law student William Boyle at (415) 424-8954, who is one of the people coordinating the event. It is scheduled for February 2nd, 4:00 p.m. in room 95 of the Law School. More complete information is listed elsewhere in the Newsletter.

Dues Check-off

Several years ago, the Bar Association of San Francisco and the National Lawyers Guild both decided to provide discounts to members of minority and lesbian and gay bar associations who joined their organizations. The purpose of these "dues check-offs" is to allow minority and lesbian and gay attorneys, whose primary involvement and membership is in BALIF, the Charles Houston Bar Association, or an other minority bar, to also join the Lawyers Guild or BASF at less cost, thus increasing the diversity of BASF or the Guild without "raiding" the minority associations.

At its last meeting, the BALIF Board voted to institute a similar dues reduction, whereby members of minority bar associations may join BALIF for a twenty-five percent reduction in their dues level. We hope that this will accomplish the same thing that BASF and the Guild sought to do — that is, diversify our membership without overburdening third world attorneys, law students and legal workers who might want to join us but whose primary membership and involvement is in a minority bar association. Our membership committee will be preparing materials explaining this new dues structure.

Board Election

There will be at least one Board of Directors vacancy to fill, as one of our male board members has decided not to seek re-election. I am interested in encouraging people of color to run for this, and other, seats. To that end, I am contacting various BALIF members and urging them to consider running. I would appreciate it if people could call me with suggestions of possible candidates, male or female. I would be happy to contact anyone you suggest and talk with them about the BALIF Board and whether or not they would be interested in joining us.

Congratulations and Thanks

Finally, you have all probably seen this in the newspapers already, but we wish to see page 4

Annual AIDS Panel Solicitation Underway

By Frederick Hertz

Each year the BALIF/NEFIR AIDS Legal Referral Panel asks BALIF attorneys to donate to its operations. Solicitation letters were sent to BALIF attorneys in early November, with a return envelope for your convenience. This solicitation is an important one, and BALIF attorneys are encouraged to give the request serious consideration.

The AIDS Legal Referral Panel was formed by a group of BALIF attorneys in 1982. Over the past six years, the Panel has grown, and now includes more than 250 lawyers. While many of the Panel attorneys are not BALIF members, BALIF has been the central sponsor of the Panel and most of the Panel's management committee consists of BALIF attorneys. The Panel is widely recognized as a model volunteer legal services project, and it has brought to BALIF a great deal of pride and respect.

There are two key reasons why you should consider making a donation to the Panel. First, the Panel needs your donation. While most of the Panel's funds derive from local foundations, these funds are not sufficient to operate the Panel. Unless we raise a fair amount of money from individual donors, we may be forced to cut back our operations. The Panel operates on a lean budget, and any cutbacks would seriously impair its service delivery.

Second, for the purposes of outside fundraising, it is essential to demonstrate a strong response from those most involved in the Panel, the BALIF attorneys. Foundations expect BALIF attorneys to support the Panel, especially those who are not themselves volunteer attorneys. For this reason, even the smallest of contributions means a great deal. If a personal donation is not possible, BALIF attorneys should consider approaching their friends, colleagues or clients for a donation.

On behalf of the Panel and its clients, thanks to all of the attorneys who have contributed their time, expertise and financial donations. The panel could not exist without your help. If you have any questions about the Panel, please contact Frederick Hertz at 654-8829. A full report on the Panel's 1988 operations will be printed in January.

The comprehensive day-long training, the accompanying 400-page AIDSLaw manual, and the computer software system will equip conference participants to organize and administer an AIDS legal service project in their local communities. The goal of the conference: create new projects and improve existing legal services for the estimated 1.5 million Americans with AIDS, ARC and HIV infection.

You may find yourself unable to pay bills because you are no longer able to work. Mounting medical bills and skyrocketing costs of medication may also be wiping out your life’s savings. If you are feeling overwhelmed by creditors and collection agencies who are demanding payment, you are not alone. All persons with AIDS experience some degree of financial hardship due to this catastrophic illness.

As a debtor you have certain rights. Creditors cannot harass you for payment, and much of your property may be exempt from creditor collection (for example, your social security check). Before you consider filing for bankruptcy, you may first want to write a letter to your creditors that describes your health condition and your changed financial situation. The AIDS Legal Referral Panel can help you with the wording of this letter. If a review of your assets, income and situation suggests the need to file for a bankruptcy, the AIDS Legal Referral Panel will refer you to one of its attorneys.

Though clearly unable to work, persons with AIDS and ARC often find their Social Security applications denied. Then they are forced to go through a lengthy and confusing appeals process to prove they are permanently disabled. Only if successful can they hope to receive their Social Security benefits.

If you are a person with AIDS or ARC and need help in applying for Social Security or other government benefits, please contact the Social Services Department of your local AIDS service organization for assistance. But if your Social Security application has been denied, contact the AIDS Legal Referral Panel. An AIDS Panel advocate will help you with your application on the reconsideration and appeals levels.

The AIDS Legal Referral Panel assists persons with AIDS and ARC on a wide range of legal problems, from housing difficulties to immigration matters to worker’s compensation cases. If you are having legal problems in these and other areas, please call the AIDS Legal Referral Panel at (415) 864-8186.

An initial attorney consultation on any legal matter is without charge. Preparation of simple wills and durable powers of attorney are also at no charge. Fees on other legal matters are based on the client’s ability to pay.
AIDS LEGAL REFERRAL PANEL

A diagnosis of AIDS or AIDS-Related Complex (ARC) is a shattering experience for anyone. It changes your life—makes you ask questions you’ve never asked. And it forces you to pay attention to matters you may have taken for granted or simply avoided: matters like your health, relationships, living situation, work, benefits, or what happens when you die. You may need the help of an attorney to put these matters in order.

Since late 1982 the AIDS Legal Referral Panel has provided comprehensive free and low cost legal services to 6000 persons with AIDS and ARC of the San Francisco Bay Area. Over three hundred Panel attorneys and notaries are ready to help you with your legal problems.

If you are a person with AIDS or ARC and have a legal question, call the AIDS Legal Referral Panel at (415) 864-8186. We can help you in any of the following areas:

WILLS & POWERS OF ATTORNEY

You need to plan for the future regardless of your health, age or assets. You need to make your own decisions about living and dying, and not simply allow others—a physician, judge, or distant relative—to make these critical and personal decisions for you.

But if you have a life-threatening illness you must make these decisions early. Through a document called a Durable Power of Attorney for Health Care, you may give to someone else—e.g., a lover, spouse, close relative, or trusted friend—the right to make decisions about your medical care. Through a General Power of Attorney you may authorize someone to manage your financial affairs on your behalf. And through a Will you may make binding instructions on how your property will pass after your death.

If you are a person with AIDS or ARC, an AIDS Legal Referral Panel attorney will prepare a simple will, a power of attorney for health care, and a general power of attorney at no charge.

EMPLOYMENT DISCRIMINATION

Many cities and counties of the San Francisco Bay Area have enacted ordinances that specifically prohibit AIDS discrimination in employment and housing. In addition, if you are a worker with AIDS, you may be protected under State of California law that bans job discrimination based on physical handicap. Finally, the Federal Rehabilitation Act prohibits discrimination where an employer receives federal money. In short, a qualified worker who is able to do the work can not be removed from his or her job for having AIDS or being suspected of having AIDS.

If you are having employment benefits questions, you should first seek help from your company’s personnel office. Many corporations in the Bay Area now have AIDS policies in place. But if you are having employment problems because of AIDS, contact the AIDS Legal Referral Panel for help.

INSURANCE

Some insurance companies refuse to pay valid claims despite their contractual obligations. Other companies attempt to drop a claimant based on his or her alleged pre-existing condition. Still other carriers continue to deny insurance to any person suspected of falling into a high risk category.

If you are a person with AIDS or ARC, or if you have a positive HIV test result, now is not the time to shop around and switch coverage. Although health and disability insurance carriers cannot require an HIV antibody test before they cover you, life insurance companies can. All insurers can and often do require bloodwork, including T-Cell information. Very simply, keep what insurance coverage you have at all costs.

If you have questions about your health, disability or life coverage, first check the exact wording contained in your policy. The answer to your question may be there. But if you still have questions or if you are having problems with the carrier, call the AIDS Legal Referral Panel for assistance.

NATIONAL CONFERENCE TO ADDRESS UNIQUE LEGAL NEEDS OF 1.5 MILLION PERSONS WITH AIDS AND AIDS-RELATED COMPLEX

AIDS is not only a national health care crisis, but it has enormous legal ramifications as well, according to a leading AIDS legal service organization. There is a critical lack of legal assistance crucial to Persons with AIDS and ARC. In response to this shortage, the AIDS Legal Referral Panel is hosting a national AIDSLaw conference on Friday, November 11 in San Francisco. The conference will train attorneys and advocates to organize an AIDS legal service in their local communities.

"Nationally the critical and special legal needs of Persons with AIDS, ARC and HIV infection are simply not being met," said Clint Hockenberry, Administrator of San Francisco's AIDS Legal Referral Panel. "The 1.5 million Americans who are facing AIDS are unable to find free and low-cost legal assistance at the very time they are most vulnerable—when they've lost their job or insurance, they're denied government benefits, or they need a will."

Only ten legal aid programs throughout the United States provide legal services to the 1.5 million Persons with AIDS and AIDS-Related Complex.

-more-
Preceding the lesbian and gay Lavender Law conference, the comprehensive day-long training on AIDS will cover such current topics as employment discrimination, insurance, social security representation, and patient confidentiality/mandatory testing issues. A $50 fee ($75 after November 1) will cover conference registration and a 500-page AIDSLaw manual.

The AIDSLaw conference is sponsored by Bay Area Lawyers for Individual Freedom (BALIF), Employment Law Center of the Legal Aid Society (ELC/LAS), National Educational Foundation for Individual Rights (NEFIR), and Volunteer Legal Services Program/Bar Association of San Francisco (VLSP/BASF).

For more information on AIDS Law, contact the AIDS Legal Referral Panel, 25 Hickory Street, San Francisco, California 94102, (415) 864-8186.

The national AIDSLaw conference will fill the gap in existing legal services by preparing participants to provide much needed legal assistance to Persons with AIDS and ARC in their local communities.
June 30, 1988

Dear ________:

Thank you for agreeing to present a paper at the AIDSlaw Conference on Friday, November 11 here in San Francisco. Planning is underway and we are looking forward to an exciting and productive event.

AIDSlaw will be a different kind of national conference. It is goal oriented. AIDSlaw will enable participating attorneys to start local AIDS legal services when they return home by training them both in legal and in administrative areas.

The conference will address the most pressing legal issues faced by persons with AIDS: wills, employment discrimination, insurance, criminal law and prison issues, social security, family law, bankruptcies, and mandatory testing/patient confidentiality. The conference will also focus on general organizational and administrative issues such as incorporation, tax exempt status, casetracking, attorney recruitment and training, fundraising, and community outreach. Although several workshops will go on simultaneously, each AIDSlaw attendee will receive a manual containing chapters of all the workshop areas.

You are scheduled to participate in the workshop late/early/mid morning/afternoon. Your co-presenter (SP) is ________ (phone). Each panel is asked to produce a chapter covering the material presented during the conference. The chapter is the joint responsibility of the members of the panel. You should contact your co-presenter and divide up the writing in a manner mutually agreeable to members of your panel. Each chapter narrative should be between six (6) and twelve (12) single-spaced pages, not including attachments, forms, footnotes, bibliographies, etc. Your writing will be edited.

We ask that you provide us with an outline of your chapter by July 25th and your final draft by August 31st. It is necessary for us to hold to this schedule to allow time to produce a final version before the conference.
If there is any way we can help you in planning your workshop, feel free to call either me or any other member of the conference committee. All of us appreciate your willingness to present a paper at the AIDSlaw conference.

TO: MANAGEMENT COMMITTEE and CONFERENCE PARTICIPANTS  
FR: GANG OF FOUR  
DA: JUNE 9, 1988  
RE: AIDSlaw: Providing Legal Services to Persons with AIDS & ARC

Attached are a draft agenda and possible topics to be discussed in each workshop for the planned national conference. Everything is still in a very fluid state, and we're very open to your suggestions for improving the conference.

GOAL: to assist the creation of local AIDS legal services and to strengthen the organizational structure and attorney training programs of already existing programs.

DATE: Veterans' Day, November 11, 1988  
(immediately preceding LAVENDERlaw)

PLACE: Green Room, San Francisco War Memorial

COSTS: $50 preregistration or LAVENDERlaw participants/ $60 at door. Conference fees include attendance at workshops + manual. PWAs & PWARCs attend free, but they receive printed materials at cost.

ESTIMATED ATTENDANCE: 150

PUBLICITY, PROMOTION & OUTREACH: Through LAVENDERlaw mailings; national VLSP and legal aid society listings; A.B.A. mailings; minority bar lists; and management committee members' little(?) black books.

PUBLICATION: The two/three presenters at each workshop will need to put together a paper covering their area. The paper needs to stand on its own, i.e., so a person who does not attend the workshops can nevertheless become educated in the areas by reading the material. In addition the presenters need to put together appropriate forms and other attachments. This is a different format from how we have run our Panel workshops. Editing in the case of this manual will have to be severe (Note from editors Clint & newly volunteered Paige: "Make every word tell.") All participants receive a complete manual of all workshops.

Janette Seldon asked that I send you the attached sheet which was taken from the 1987 Bar Activities Inventory. Janette was interested in knowing how many bar associations publish their own journal. Question #85 responds to this question.

I hope that this information will be helpful to you.

Lavendar Law  
from front page

The Conference also provided a forum for the distribution of literature and materials as well as the opportunity for regional caucus meetings, and meetings for people of color, people with AIDS/ARC and gay and lesbian law students.

The panelists, who were experienced practitioners and experts from across the country, gave excellent, informative, and many times entertaining presentations.

One oft-repeated theme was that the key to the future of gay and lesbian rights is "coming out," and being willing to work publicly in a multitude of forums to advance our rights. One important step in this direction, in addition to the simple existence of the Conference itself, which gained important media attention, was the formation of the National Lesbian and Gay Law Association.

Many individuals and organization from the Bay Area were instrumental in making the Conference happen, and in making it a success, but BALIF members played a particularly invaluable role. For these individuals, the Conference was not a two day event, but represented months of meetings and projects, innumerable mailings, long-distance phone calls, and trips to Krishna Copy far into the night. It literally took over some of our lives for many months.

Two BALIF Board members, Ron Albers and Teresa Friend, were assigned responsibility for the Conference as their Board committee assignments. The BALIF telephone and PO. Box became the Conference "headquarters," which spilled over into the personal living space of Blair Grif fith, who took much administrative responsibility. Other BALIF members who played major roles in Conference planning, publicity and logistics included Henry Doering, Sally Elkington, Alissa Friedman, Alice Perlman, Ellen Shaprio, Scott Wood, Carol Scagnetti, Matt Coles, Gary Wood, David Helbraun, Ben Schatz, Lisa Katz, and Tia Pollastrini. Special thanks also to Liz Hendrickson and Lori Ayre. Numerous other BALIF members also made significant contributions which were greatly appreciated.

One remaining project is the publication of a Conference Directory, and anyone who wants to become involved at this stage is very welcome. If you attended the Conference but failed to fill out a form to be included in the Directory, you should forward it to the Conference mailbox immediately.

The Sourcebook for the Conference, which includes names and addresses of all sponsoring organizations and of all panelists, as well as outlines for the workshops, is available for $25.00, and can be obtained by writing or calling the National Conference, P.O. Box 1983, San Francisco, CA 94101 (415) 431-1444. In addition, all of the workshops were professionally audiotaped, and the tapes are available for sale.

BALIF Members  
to Head L.I.F.E.  

By Todd Dickinson

At the recently-held annual meeting of The Lobby for Individual Freedom and Equality (L.I.F.E.), the Sacramento-based AIDS lobby, BALIF member Don Disler, Treasurer of Californians Against Proposition 102, was elected the new Co-chair, and BALIF Board Member Todd Dickinson, who represents BALIF on the L.I.F.E. Board, was elected Secretary.

At the Los Angeles meeting, the Board also established its legislative priorities for the next session of the Legislature and, in a long-anticipated move, agreed to hire a second lobbyist, Carrie Harper, to assist long-time lobbyist/Executive Director Rand Martin, particularly on the Republican side of the aisle. Harper was the unanimous choice from the 30-plus applicants considered by the selection committee, and she brings long Sacramento experience to the job, most recently having worked for Assemblyman Bill Filante (R-Marin).

In setting its legislative priorities for the year, the Board continued its recent practice of proposing and drafting pro-active legislation dealing with a wide variety of AIDS-related issues. The highest priority this year will be given to two hold-over issues from the last session, bills which were both vetoed by the Governor. The Vasconcellos bill prohibiting discrimination based on HIV status, which L.I.F.E. helped craft, will be reintroduced by Assemblyman John Vasconcellos, D-San Jose. The California Medi cal Association has been asked to sponsor the bill this year, to hopefully provide additional support in overcoming the veto, but L.I.F.E. will sponsor it again if the CMA declines.

A second L.I.F.E.-backed, but Duckme sjian-vetoed bill, the AIDS Education in the Schools bill, introduced by Sen. Gary Hart, D-Santa Barbara, will probably also be re-

AIDSLaw  
Conference  
Attracts Over 300  

By Rena Frantz

The AIDS Legal Referral Panel’s AIDS-Law Conference took place on November 11 to a packed house at the Green Room of the War Memorial Building. Over 300 attorneys and AIDS service providers were in attendance, representing 30 states, England and Canada. The goal of the conference was to create new AIDS legal services projects in underserved areas of the country and improve existing AIDS legal services.

Workshops covered a wide range of administrative and substantive topics, including patient confidentiality and mandatory testing, employment discrimination, wills and durable powers of attorney, credit, collection and bankruptcy, social security, criminal issues, insurance and employee benefits, family law, administration of an AIDS legal services program, and fundraising. Enthusiasm ran high as attorneys from around the country received training and compared experiences and frustrations on a variety of AIDS-related legal concerns. The spirited lunch-time panel on Propositions 96 and 102 drew a large crowd.

It was clear from the response that a number of AIDS legal service programs are sprouting up around the country. There were a number of different models for these programs, growing out of AIDS service organizations, bar associations, legal services programs and gay attorney groups. Further, individual attorneys in private or group practices are often the sole providers of legal services directed at Persons with AIDS or ARC in isolated areas around the country.

Each registrant received a 700 page manual which covered all of the workshop areas. This manual will serve as a reference for attorneys experienced in AIDS-related law and a training tool for emerging programs.

The manual is available from the AIDS Legal Referral Panel, 25 Hickory Street, San Francisco, CA 94102, for $75 plus $6 postage and handling.

The highly successful conference was sponsored by BALIF, the Employment Law Center of the Legal Aid Society of San Francisco, the National Educational Foundation for Individual Rights, and the Volunteer Legal Services Program of the Bar Association of San Francisco.
20th National Conference
on Women and the Law

By Jackie Ortega

After nine years, the National Conference on Women and the Law returns to the Bay Area March 30-April 2, 1989. The theme of the 20th National Conference is in the Courtroom and in the Community: 20 Years of Feminist Struggle. The Conference theme reflects the accomplishments gained through activities of generations of strong, determined women, and it also includes a critical look to the future.

Throughout its 20 years, the Conference has demonstrated a commitment to all women, acknowledging and respecting diversity of sexual orientation, race, ethnicity, class and disability. In addition to 100 workshops, the Conference will host a number of special events to celebrate its 20th Anniversary. On Friday, March 31st there will be a Concert starring Teresa Trull and the Washington Sisters, featuring Melanie Monsur; there will be a Women’s Dance Saturday Night; and the traditional Lesbian Dessert will be held Saturday afternoon. The Conference promises to be the best ever!

The Core Committee invites you to join other attorneys, law students, legal workers, educators, community advocates, grassroots organizers and judges in attending the 20th National Conference on Women and the Law, March 30-April 2, 1989 at the Hyatt Regency Oakland and Oakland Convention Center.

If you would like to make a tax-deductible donation to the Conference or if you would like to receive registration materials, please contact the Conference office at the following address and phone number: 20th National Conference on Women and the Law, Box 2, The Women’s Building, 3543 18th Street, San Francisco, California 94110, (415) 255-9228.

Co-Chair

acknowledge Todd Dickenson for his re-appointment to the San Francisco Parking Commission (as president), and Leonard Graff for his appointment to the San Francisco Human Rights Commission. Congratulations to Todd, a current Board member. The point, of course, is that a member and Leonard, a former Board position on the BALIF Board leads to fame Graff for his appointment to the San Francisco Hockenberry and the many other BALIF members who worked so hard on the Lavendar Law and AIDSLaw Conferences. It was an amazing experience to be with 600 other lesbian and gay attorneys, law students and legal workers from 40 states and 3 countries. Ron Albers will serve as Co-Chair of the new national gay legal organization which was formed at the conference. There are still a few truly handsome t-shirts commemorating the event available for $10.00. Contact me to place your order.

The new national legal organization adopted BALIF's co-gender Board and co-chair policy. It also committed itself to insuring that twenty percent (20%) of the Board is made up of people of color. I was happy that our co-sexual structure is seen as such a positive part of our organization that others want to use it. I was also happy that the national organization is committed to representing lesbians and gay men of color, something other national lesbian and gay groups have been unable to do.

Baseball

As you enjoy the holidays and the beginning of the new year, remember to save the first weekend in April for the opening baseball game of the 1988 season, the Bay Bridge Classic. Last year we had the first five rows at field level by the visitors' bullpen for the game between the Oakland A's and the San Francisco Giants. I'm sending in our '89 order now, so we should have great seats again.

Achieve Victory in South Bay Prop. 102 Leafletting Case

By Lin Marelick

Like the rest of the state, the South Bay lesbian and gay community is celebrating the victory over Proposition 102 and considering what action should be taken regarding 96.

Thanks in part to the work of several BALIF members, just prior to the election, the Bay Area Municipal Elections Committee (BAYMEC), the South Bay's principle lesbian and gay organization, enjoyed an important First Amendment victory at Valley Fair Shopping Center. The fracas between BAYMEC and mall management came to a head when Wiggsy Svistsven and Stephen Rudnick, risking arrest, decided to distribute "No on 102" literature at the large shopping center despite threats from mall management and warnings that such activity was "illegal" and "prohibited by mall policy."

Rather than attempting to force arrest, mall owners sought a Temporary Restraining Order to enjoin the leafletting activity. Mall counsel sought and got a Sunday hearing before Superior Court Judge Frank Cliff. Notice of the hearing, which took place in Valley Fair management offices, was not given to BAYMEC counsel until 11:00 Saturday night.

The legal position argued by counsel for the mall was that Pruneyard (involving petitioning in a privately-owned shopping center) did not extend to any activity other than signature-gathering. Mall counsel also relied on H-CHH Associates v. Citizens For Representative Government, 193 C.A. 3d 1193 (1987) for the same proposition.

Counsel for BAYMEC argued that the Pruneyard case (U.S. Supreme Court and California Supreme Court) extend beyond mere "petitioning" and contemplate a much broader range of political activity in the private shopping center context. Indeed, the California Supreme Court referred to "speech and petitioning" in its holding. Defendants further argued that Valley Fair was selectively enforcing its own regulations resulting in discrimination against persons with AIDS or ARC in violation of Santa Clara County Ordinance No. 300.423. (Plaintiff had allowed the Demo-

introduced this session, and L.I.F.E. agreed to give high priority to this issue as well.

In a new direction, the L.I.F.E. Board has agreed to take on the challenge of drafting and finding a sponsor for comprehensive legislation dealing with Early Intervention and Treatment. This bill or bills would deal with an often-overlooked area which the Board felt needs significantly-increased attention. Issues involved include testing, HIV status monitoring, counseling and behavior modification, medical intervention to arrest disease progression, and case management for asymptomatic individuals, including medical, legal and insurance services.

Other issues which were given high priority for this session include: increasing access to AZT and other therapeutic agents, maintenance of MediCal for HIV-positive persons, and a possible reintroduction of the Roos Bill, requiring mandatory counseling with testing, which the Governor also vetoed last year. (Unfortunately, he vetoed nearly everything we supported.)

L.I.F.E. is now up to nearly 65 affiliates (including BALIF) and continues to grow with each meeting. It also continues to grow in effectiveness and respect in Sacramento and is widely-regarded as one of the most significant players on AIDS issues in the Capitol. We can take pride in BALIF's continued high level of involvement.

Leafletting activities and Republican parties to engage in leafletting activities.)

BAYMEC was represented by BALIF members Elizabeth Birch and Denise DeRose of McCutchen, Doyle, Brown and Emersen, Marta Vides, Directing Attorney, Public Interest Law Firm and Shannan Wilbur, of Morrison and Foerster.

At the end of the four hour hearing, Judge Cliff issued an order allowing the leafletting activity pending a full OSC hearing on the constitutional question. During the hearing, counsel for the mall donned “No on 102” buttons and after the ruling against them, extended the terms of the order until after the election. The Public Interest Law Firm and McCutchen are presently discussing a suit against Valley Fair to change the policy permanently.

Finally, please mark your calendars now for the BAYMEC Dinner which will take place this year on April 8, 1989.

January 10 Deadline for BASF Survey on Sexual Orientation

With the last issue of the BALIF newsletter, we sent you a survey regarding discrimination based on sexual orientation in the legal workplace. The purpose of the survey is to provide information to a Committee of the Bar Association of San Francisco that is considering and will make recommendations to the Bar Association regarding minority hiring and retention issues. If you have not already done so, please fill out and return the survey to Terry Stewart at Howard, Rice, Nemerovski, Canady, Robertson & Falk, Three Embarcadero Center, 7th Floor, San Francisco, CA 94111 by January 10, 1989. Your participation will help the Bar in its attempts to improve hiring and promotion of minorities, including gay men and lesbians, by legal employers in the San Francisco Bay Area.

State Bar to Waive Fees for “Emeritus” Attorneys Participating in Pro Bono Activities

Beginning in 1989, the State Bar will waive fees to allow retired members to become active practicing lawyers solely to provide pro bono legal representation through specified legal services providers. To qualify, the retired attorney must have practiced law in California for at least five out of the last ten years. For information, contact Office of Legal Services, Emeritus Attorney Pro Bono Participation Program, State Bar of California, 555 Franklin St., S.F. 94102-4498, (415) 561-8253.

Prop. 96 Test Case Sought
By Matt Coles

A team of lawyers from San Francisco's Morrison & Foerster, along with the ACLU of Northern California and the ACLU of Southern California, is preparing a challenge to Proposition 96, the regressive AIDS testing initiative passed by the voters of California in the November election. Morrison & Foerster partner Kathleen Fisher is directing the effort.

A challenge to the forced testing provisions must come as part of a case in which law enforcement officials attempt to have a person accused of a crime tested against his or her will. The lawyers working on the challenge are willing to make the materials they are developing available to anyone involved in that type of a case, and are committed to helping out with the case.

Anyone who knows about any attempt to invoke the forced testing provisions of Prop. 96 should contact either Matt Coles at the ACLU of Northern California (415) 621-2493 or Jon Davidson at the ACLU of Southern California (213) 487-1720.

Dear Mr. [Redacted]:

I have received your postcard indicating interest in the AIDS/Law conference, a copy of which is enclosed. Although no check was received, you checked the box indicating that you had enclosed one. Since the postcard was sent to us without an envelope, I find it unlikely that you attached a check. However, if you did the check was lost in the mail and not received.

I will put you on our mailing list and send you more information concerning the conference as it becomes available. I regret any inconvenience that this may have caused.

Sincerely,

[Signature]

Rena Frantz
Conference Administrator
November 22, 1988

Dear AIDSLaw Conference Registrant:

Our records indicate that you registered for the recent AIDSLaw conference held Friday, November 11, 1988, in San Francisco but did not attend the conference. You should be aware that your registration fee included a copy of the 700 page AIDSLaw Manual (currently selling for $75.00) which was prepared for the conference.

If our records are correct, and you registered for but did not attend the conference, you may come by our offices to pick up your manual (please call ahead), or we will forward one to you for six dollars ($6.00), which will cover postage and handling. In either case, please fill out the form below and contact us by December 10, 1988, if you would like your copy of the manual, as we are selling out quickly.

Sincerely,

Rena Frantz
Conference Administrator

---

YES, I paid my full registration fee for the AIDSLaw Conference on November 11, 1988 but was unable to attend. I did not receive an AIDSLaw Manual. I am enclosing a check for six dollars made out to "AIDSLaw" and request that you send a manual to me at:

November 22, 1988

Dear Friend:

Thank you for your interest in the recent "AIDSLaw" conference held in San Francisco on November 11, 1988 and the 700 page manual published in conjunction with the conference. The manual, a handbook on providing legal services to Persons With AIDS and ARC, is designed to assist attorneys, legal service programs and AIDS service providers in organizing and administering AIDS legal service projects in their own communities. Topics include patient confidentiality and mandatory testing, employment discrimination, family law, wills and durable powers of attorney, credit collection and bankruptcy, social security, criminal law, and insurance and employee benefits, as well as instruction in the administration of an AIDS Legal Services Program.

The manual is now available for general release. Because you inquired about conference materials in advance, the cost of the manual to you, until December 10, 1988 only, is fifty dollars ($50.00) plus six dollars ($6.00) for postage and handling. Thereafter, the cost of the manual will be seventy-five dollars ($75.00) plus six dollars ($6.00) postage and handling.

The manual is a superb resource for anyone with an interest in AIDS-related legal issues. On the reverse is an order form for your convenience. Please note that the fifty dollar price applies until December 10, 1988 only, and is not transferable.

Sincerely,

Rena Frantz,
Conference Administrator

RE: AIDSlaw: Providing Legal Services to Persons with AIDS & ARC

Attached are a draft agenda and possible topics to be discussed in each workshop for the planned national conference. Everything is still in a very fluid state, and we're very open to your suggestions for improving the conference.

GOAL: to assist the creation of local AIDS legal services and to strengthen the organizational structure and attorney training programs of already existing programs.

DATE: Veterans' Day, November 11, 1988 (immediately preceding LAVENDERlaw)

PLACE: Green Room, San Francisco War Memorial

COSTS: $50 preregistration or LAVENDERlaw participants/
$60 at door. Conference fees include attendance at workshops + manual. PWAs & PWARCs attend free, but they receive printed materials at cost.

ESTIMATED ATTENDANCE: 150

PUBLICITY, PROMOTION & OUTREACH: Through LAVENDERlaw mailings; national VLSP and legal aid society listings; A.B.A. mailings; minority bar lists; and management committee members' little(?) black books.

PUBLICATION: The two/three presenters at each workshop will need to put together a paper covering their area. The paper needs to stand on its own, i.e., so a person who does not attend the workshops can nevertheless become educated in the areas by reading the material. In addition the presenters need to put together appropriate forms and other attachments. This is a different format from how we have run our Panel workshops. Editing in the case of this manual will have to be severe (Note from editors Clint & newly volunteered Paige: "Make every word tell.") All participants receive a complete manual of all workshops.

Dear Sarah:

Thank you for agreeing to present a paper at the AIDSlaw Conference on Friday, November 11 here in San Francisco. Planning is underway and we are looking forward to an exciting and productive event.

AIDS law will be a different kind of national conference. It is goal oriented. AIDS law will enable participating attorneys to start local AIDS legal services when they return home by training them both in legal and in administrative areas.

The conference will address the most pressing legal issues faced by persons with AIDS: wills, employment discrimination, insurance, criminal law and prison issues, social security, family law, bankruptcies, and mandatory testing/patient confidentiality. The conference will also focus on general organizational and administrative issues such as incorporation, tax exempt status, casetracking, attorney recruitment and training, fundraising, and community outreach. Although several workshops will go on simultaneously, each AIDS law attendee will receive a manual containing chapters of all the workshop areas.

You are scheduled to participate in the Social Security workshop late morning. Your co-presenter is Gary Wood at 771-7749. Each panel is asked to produce a chapter covering the material presented during the conference. The chapter is the joint responsibility of the members of the panel. You should contact your co-presenter and divide up the writing in a manner mutually agreeable to members of your panel. Each chapter narrative should be between six (6) and twelve (12) single-spaced pages, not including attachments, forms, footnotes, bibliographies, etc. Your writing will be edited.

We ask that you provide us with an outline of your chapter by July 25th and your final draft by August 31st. It is necessary for us to hold to this schedule to allow time to produce a final version before the conference.
If there is any way we can help you in planning your workshop, feel free to call either me or any other member of the conference committee. All of us appreciate your willingness to present a paper at the AIDSlaw conference.

Attention: Mr. Clint Hockenberry

Dear Mr. Hockenberry:

This letter will serve as an agreement between BALIF/NEFIR, hereinafter called licensee, and the San Francisco War Memorial and Performing Arts Center for rental of the Veterans Building Green Room for an AIDS training workshop and lectures on Friday, November 11, 1988 from 10:00am to 7:00pm with access from 8:00am to 8:00pm. Licensee agrees to abide by all regulations described in Attachment A, enclosed herewith and incorporated by reference. Please note that the Green Room will be open only during contracted access hours.

Licensee shall defend, indemnify and hold harmless the City and County of San Francisco and the San Francisco Performing Arts Center Foundation,
and their agents, employees and officers, from and against all claims, costs and damages that arise from the tenant's activities under this agreement, or from the tenant's breach of the terms of this contract, or which would not have occurred or existed but for this contract. Those claims, costs and damages which are attributable solely to the negligence of the City or the Foundation are excepted from the foregoing obligation.

In addition you are required to submit a copy of the insurance coverage obtained for this engagement with public liability and property damage limits of $500,000.00, listing the City and County of San Francisco and the San Francisco Performing Arts Center Foundation, its agents, officers and employees as additional insured. Please submit a copy of your insurance coverage no later than November 7, 1988. Our current insurance policy expires July 15, 1988. Insurance coverage may be available through the San Francisco Performing Arts Center Foundation, please call me in June for rates and information.

Should security guard services be required for your event, they will be contracted through the War Memorial and charged to you at the rate of $12.05 per hour. Please note that ONLY security provided by the War Memorial may be on the premises.

Please let me know if you intend to sell alcoholic beverages. If so, it is agreed that licensee will display the required license for the sale of alcoholic beverages and furnish us with a copy of the license by November 7, 1988. Permit can be obtained from the Department of Alcoholic Beverage Control (557-3660), 185 Berry Street, Suite 4811, San Francisco. Bring a copy of your signed Green Room contract to facilitate obtaining your license. It is understood and agreed that food and drink are confined to the Green Room and loggia. It is licensee's responsibility to insure that guests comply with this regulation. Violations may result in loss of cleaning deposit.

Licensee is required to supply a copy of regulations (Attachment A) to caterer. Please let me know who your caterer is and what equipment you/he will be bringing into the Green Room; when equipment will be delivered and when it will be picked up. Note that nothing may be left in the Green Room overnight; however, limited storage space is available by prior arrangement. NOTE: deliveries may only be made Monday thru Friday, 8:30AM to 4:00PM or during your contracted access hours.

It is understood that you are expecting approximately 300 people. Please note that fire regulations limit attendance to a maximum of 500 persons.

The Veterans Building is a public building. The War Memorial is not responsible for misplaced or lost articles. Please advise your guests, as well as your caterer, not to leave valuables unattended.

Set up of the Green Room is licensee's responsibility. Please stack chairs, bag all trash and remove ice to the loggia after your event. All other clean up will begin after your event is over and will be provided by our custodial staff, whose regular duty hours end at 12:00M.
Please let me know where you would like the sound system located. Please let me know where you would like the piano located; it must remain in the Green Room whether it is rented or not. Note that tuning of the piano may be required for each use. We can arrange this for you at a cost of $60.00.

We will provide two 8' x 3' tables - these tables may NOT be used for food or beverage (additional 6' and 8' tables available at $5.00 each; 60" round tables at $8.00 each; 30" round tables at $5.00 each; note: it is the licensee's responsibility to remove equipment from storage room and to return it); six 4' x 8' section platform at $30.00 per section plus installation; coat racks and and hangers (coat check attendants available at $11.77/hr*, 4-hour minimum); up to 300 stack chairs - please let me know how many you would like in the room; a wheelchair ramp; and piano. I will request that the War Memorial Commission assign use of (limited) kitchen facilities in one of the Veterans rooms on the 2nd floor; please call me to find out if a set-up room is available for your event and, if so, the room number.

Please advise us, by telephone and in writing, at the earliest possible time, of the need to cancel your contracted date in the Green Room. If, after notice of cancellation is received, we are able to rent your date to another tenant, you will be refunded the rental payment less an administrative fee ($50.00); you will also be refunded in full, all personnel and cleaning deposits which you have paid. If, however, we are unable to rent the date, the full rental fee will be retained by the War Memorial. Personnel fees and cleaning deposits will be refunded in full.

You are required to adhere to the agreements set forth in this contract. If these obligations are not met in a timely manner, as outlined, your date may be cancelled. If your Green Room date is cancelled, all rental fees paid will be retained by the War Memorial. Personnel fees and any cleaning deposits will be refunded in full.

Please indicate your acceptance of this agreement by signing and returning it to me along with the balance of rent on or before May 9, 1988. If you have any questions in the meantime, please give me a call.

Dear Patience:

In followup to our telephone conversation last month, this letter is to confirm our understanding that the AIDS Legal Referral Panel in Sacramento will be covered under our liability insurance coverage at no additional charge.

Under our Rules of Operation that enable us to provide AIDS legal services in Northern California, the AIDS Legal Referral Panel is organizing a branch office in Sacramento. The Sacramento Panel will do the identical work we do, adhere to substantially the same protocol, and follow parallel case-tracking and office administration practices. We have general oversight of their operations and accept responsibility for any claims that may arise against their attorneys and notaries.

As I mentioned to you during our phone conversation last month, I am estimating the numbers participating in the Sacramento Panel will be approximately forty (40) attorneys with an average three (3) cases each for the year. Sacramento-area AIDS legal cases previously handled directly through our San Francisco-based office will now be processed through the Sacramento office.

Thank you for your help on this matter, and please let me know if you need more information.

Sincerely,

Clint Hockenberry, Esq.

Dear Patience:

This letter is to continue a discussion we began by phone last month and to request your insight on the most expeditious way to provide attorney liability coverage to new AIDS legal services.

The AIDS Legal Referral Panel is routinely asked to assist in the formation of AIDS legal services in different parts of the country. We can provide them with training manuals and video tapes on various subject matters, generic bylaws and articles, sample protocols and forms, grant proposals, case-tracking software, and other kinds of "technical assistance." Nevertheless, one question that surfaces constantly is malpractice coverage: how quickly can a fledgling AIDS legal service obtain insurance for cases referred by the group to its volunteer attorneys?

How quickly could your office approve a liability insurance policy application of a new AIDS legal service if it were substantially the same as the one the San Francisco Panel filed? I know our application was difficult for you, and we're both aware that it took approximately 18 months to process. That time frame would be the kiss of death for many new AIDS legal services. Even a six month delay creates a hardship when new panels are forming in response to an immediate health crisis in their local communities.

If there is an extended review period for an application from a new AIDS legal panel, would it be more efficient to create a national umbrella organization of local AIDS legal services, all affiliates adhering to substantially the same organizational structure and protocols? The affiliate would be certified by the national group and come under the national group's NLADA liability protection coverage.

I am exploring these questions with you now because the AIDS Legal Referral Panel is planning a modest-sized national conference for AIDS legal service providers next November 11. We anticipate approximately 200 attorneys to attend, most from communities where there is no organized legal response to the AIDS crisis. Our goal is to train these attorneys in the nuts-and-bolts delivery of AIDS legal services, from will-drafting to representation of AIDS clients in social security hearings. Once these trained attorneys return to their home communities they will then organize local AIDS legal panels of their own. The availability of malpractice coverage will be critical to the survival of these new efforts.

I hope you can offer some guidance during these initial stages of discussion on the availability of attorney liability protection. Thank you for your continued help in a number of areas.

Sincerely,

Clint Hockenberry, Administrator

NATIONAL CONFERENCE TO ADDRESS UNIQUE LEGAL NEEDS OF 1.5 MILLION PERSONS WITH AIDS AND AIDS-RELATED COMPLEX

AIDS is not only a national health care crisis, but it has enormous legal ramifications as well, according to a leading AIDS legal service organization. There is a critical lack of legal assistance crucial to Persons with AIDS and ARC. In response to this shortage, the AIDS Legal Referral Panel is hosting a national AIDSLaw conference on Friday, November 11 in San Francisco. The conference will train attorneys and advocates to organize an AIDS legal service in their local communities.

"Nationally the critical and special legal needs of Persons with AIDS, ARC and HIV infection are simply not being met," said Clint Hockenberry, Administrator of San Francisco's AIDS Legal Referral Panel. "The 1.5 million Americans who are facing AIDS are unable to find free and low-cost legal assistance at the very time they are most vulnerable--when they've lost their job or insurance, they're denied government benefits, or they need a will."

Only ten legal aid programs throughout the United States provide legal services to the 1.5 million Persons with AIDS and AIDS-Related Complex.

-more-
Preceding the lesbian and gay Lavender Law conference, the comprehensive day-long training on AIDS will cover such current topics as employment discrimination, insurance, social security representation, and patient confidentiality/mandatory testing issues. A $50 fee ($75 after November 1) will cover conference registration and a 500-page AIDSLaw manual.

The AIDSLaw conference is sponsored by Bay Area Lawyers for Individual Freedom (BALIF), Employment Law Center of the Legal Aid Society (ELC/LAS), National Educational Foundation for Individual Rights (NEFIR), and Volunteer Legal Services Program/Bar Association of San Francisco (VLSP/BASF).

For more information on AIDSLaw, contact the AIDS Legal Referral Panel, 25 Hickory Street, San Francisco, California 94102, (415) 864-8186.

The national AIDSLaw conference will fill the gap in existing legal services by preparing participants to provide much needed legal assistance to Persons with AIDS and ARC in their local communities.

November 11, 1988

Dear AIDSLaw Conference Participant:

Welcome to AIDSLaw, the national conference on providing legal services to Persons with AIDS and AIDS-Related Complex (ARC).

AIDS is not only a national health crisis. AIDS is a national legal crisis as well. Except in a few isolated cities, the legal community has simply not responded to the critical and special problems of the 1.5 million Americans with AIDS, ARC and HIV infection.

Your participation in today's conference may change that. The goal of AIDSLaw is to create new AIDS legal projects and to improve existing AIDS legal services. With your help, Persons with AIDS and ARC will be able to find affordable, high quality legal assistance no matter where they live. In short, your legal skills can make an immeasurable difference in the lives of desperately needy clients.

The AIDS Legal Referral Panel of the San Francisco Bay Area is proud to be the host of today's event. We hope you will take the training and materials back to your communities, adapt the information to address your local problems, and begin to offer free and low cost legal services to individuals who face life-threatening illnesses.

Enjoy your day at the national AIDSLaw conference and enjoy your weekend in San Francisco.

Cordially,

Clint Hockenberry
Administrator

NOVEMBER 11, 1988
THE GREEN ROOM
SAN FRANCISCO WAR MEMORIAL BUILDING
9:00 A.M. - 7:30 P.M.

FIRST OF ITS KIND NATIONAL CONFERENCE BEING HELD TO ADDRESS LEGAL NEEDS OF PERSONS WITH AIDS AND ARC

OVER 300 PERSONS, COMING FROM 28 STATES AND 3 COUNTRIES, WILL BE ATTENDING THE NATIONAL AIDS LAW CONFERENCE BEING HELD ON FRIDAY, NOVEMBER 11, 1988 IN SAN FRANCISCO, CALIFORNIA. REPRESENTING LEGAL SERVICES PROGRAMS AND AIDS SERVICES ORGANIZATIONS ACROSS THE COUNTRY, THE CONFERENCE ATTENDEES WILL RECEIVE INSTRUCTION IN EIGHT AREAS OF SUBSTANTIVE LAW AS WELL AS TRAINING IN ADMINISTRATION, TO BETTER ENABLE THEM TO RETURN TO THEIR LOCAL COMMUNITIES AND DELIVER AIDS-RELATED LEGAL SERVICES.

FURTHER, THIS CONFERENCE WILL BE THE FIRST GATHERING OF LEGAL WORKERS AND ATTORNEYS FOLLOWING TUESDAY'S VOTE ON CALIFORNIA'S PROP. 102 AIDS-REPORTING INITIATIVE. THE IMPACT OF THE VOTE ON THIS CRUCIAL PROPOSITION WILL BE DISCUSSED AT A NOON FORUM AT THE AIDS LAW CONFERENCE.

IN ADDITION TO BEING A NATIONAL HEALTH CRISIS, AIDS POSES A NATIONAL LEGAL CRISIS AS WELL. "THE CRITICAL AND SPECIAL LEGAL NEEDS OF PERSONS WITH AIDS, ARC AND HIV INFECTION ARE SIMPLY NOT BEING MET," SAID CLINT HOCKENBERRY, ADMINISTRATOR OF SAN FRANCISCO'S AIDS LEGAL REFERRAL PANEL, HOST OF FRIDAY'S NATIONAL CONFERENCE. "ONLY 10 LEGAL AID PROGRAMS THROUGHOUT THE UNITED STATES ARE PRESENTLY PROVIDING LEGAL SERVICES TO THE OVER 1.5 MILLION PERSONS WITH AIDS AND ARC," SAID HOCKENBERRY.

THE AIDS LAW CONFERENCE IS BEING HELD IN ORDER TO ADDRESS THIS GAP IN EXISTING LEGAL SERVICES. THE CONFERENCE, SPONSORED BY BAY AREA LAWYERS FOR INDIVIDUAL FREEDOM (BALIF), EMPLOYMENT LAW CENTER OF THE LEGAL AID SOCIETY (ELC/LAS), NATIONAL EDUCATIONAL FOUNDATION FOR INDIVIDUAL RIGHTS (NEFIR) AND VOLUNTEER LEGAL SERVICES PROGRAM OF THE BAR ASSOCIATION OF SAN FRANCISCO (VLSP/BASF), WILL TRAIN PARTICIPANTS WITH THE GOAL OF ASSISTING IN THE CREATION OF LOCAL AIDS LEGAL SERVICES PROGRAMS AND STRENGTHENING THE ORGANIZATIONAL STRUCTURE AND LEGAL SKILLS OF THOSE PROGRAMS ALREADY IN EXISTENCE.

"PERSONS WITH AIDS AND ARC ARE UNABLE TO FIND AFFORDABLE LEGAL ASSISTANCE AT THE VERY TIME THEY ARE MOST IN NEED AND MOST VULNERABLE TO STRESS IN THEIR LIVES," SAID ORA PROCHOVNICK, MEMBER OF THE AIDS LEGAL REFERRAL PANEL MANAGEMENT COMMITTEE. "AT A TIME WHEN THEY HAVE JUST LOST THEIR JOB OR THEIR HEALTH INSURANCE OR THEIR HOME, OR ARE BEING DENIED GOVERNMENT BENEFITS, OR NEED ASSISTANCE IN DRAFTING A WILL OR POWER OF ATTORNEY...PROVIDING SERVICES WHICH ADDRESS AND ALLEVIATE THEIR LEGAL PROBLEMS WILL ENABLE THEM TO CONCENTRATE ON THEIR HEALTH CONCERNS."

Members of the press are invited to attend the AIDS Law conference, and are asked to register at the main table in the Green Room.
ADDICTION

JACKIE PEOPLES [Outreach and Liaison] is the Minority Outreach Director of the AIDS Legal Referral Panel. For three years an AIDS counselor for the Shanti Project at San Francisco General Hospital, she will complete her law studies at New College of California next month.

A State-wide Conference of Legal Issues Relating to HIV-infected Individuals.

8:30 AM-5:30 PM Saturday, November 10, 1990
Mayer Theater, Santa Clara University
Santa Clara, California

Keynote Speaker: State Assemblyman John Vasconcellos

The conference has two objectives: one is to enable attorneys to provide service and assistance to HIV-infected individuals in substantive legal matters. The second is to promote discussion among the legal community and interested others about the issues involving HIV-infection and the law.

Areas to be covered include employment discrimination, wills and durable powers of attorney, government benefits, bankruptcy and collection, insurance and employee benefits, and family law.

We'll also look at such topics as criminal issues and mandatory testing, access to medical care, patient confidentiality, suicide, and other ethical concerns.

In addition, one of the workshops will address the how-to's of running a legal services program for HIV-infected people: fund-raising, administration, and attorney recruitment will be discussed.

The fee for the day-long event includes lunch as well as a comprehensive 450-page AIDSLaw manual that contains chapters on each of the substantive issues listed above. People with AIDS, students, and other low-income individuals are encouraged to take advantage of the special rate available to them.

Dear Colleague,

On April 12-14 of this year, the University of Wisconsin Law School and the Center for Public Representation are convening a meeting of AIDS law school clinics and AIDS legal service projects from across the nation.

It is our belief that all such AIDS projects will benefit from this meeting in a number of ways: participants will be able to inform each other on effective strategies for providing needed services, and they will be able to discuss recurring problems and methods of implementing effective changes.

At this point, it is anticipated that the two day (Friday afternoon, all day Saturday, and Sunday morning) agenda will include a discussion of the following topics:

1. the linkage between AIDS legal services and clinical legal education;
2. meeting the needs of the increasingly diverse HIV-infected client group;
3. effective networking with the state bar and with state service providers;
4. economic survival of AIDS clinics and legal service projects;
5. scholarship and service: bridging the gap between research and the needs of the community;
6. political advocacy: examining the need for legislative changes.

Our goal is to bring together representatives from all AIDS clinics and legal service providers.

Please plan on attending. Please complete and return the enclosed form by March 15th, 1991. Complete program information will be mailed to you immediately after this March deadline.

We look forward to hearing from you.

FIRST OF ITS KIND NATIONAL CONFERENCE BEING HELD TO ADDRESS LEGAL NEEDS OF PERSONS WITH AIDS AND ARC

OVER 300 PERSONS, COMING FROM 28 STATES AND 3 COUNTRIES, WILL BE ATTENDING THE NATIONAL AIDS LAW CONFERENCE BEING HELD ON FRIDAY, NOVEMBER 11, 1988 IN SAN FRANCISCO, CALIFORNIA. REPRESENTING LEGAL SERVICES PROGRAMS AND AIDS SERVICES ORGANIZATIONS ACROSS THE COUNTRY, THE CONFERENCE ATTENDEES WILL RECEIVE INSTRUCTION IN EIGHT AREAS OF SUBSTANTIVE LAW AS WELL AS TRAINING IN ADMINISTRATION, TO BETTER ENABLE THEM TO RETURN TO THEIR LOCAL COMMUNITIES AND DELIVER AIDS-RELATED LEGAL SERVICES.

FURTHER, THIS CONFERENCE WILL BE THE FIRST GATHERING OF LEGAL WORKERS AND ATTORNEYS FOLLOWING TUESDAY'S VOTE ON CALIFORNIA'S PROP. 102 AIDS-REPORTING INITIATIVE. THE IMPACT OF THE VOTE ON THIS CRUCIAL PROPOSITION WILL BE DISCUSSED AT A NOON FORUM AT THE AIDS LAW CONFERENCE.

IN ADDITION TO BEING A NATIONAL HEALTH CRISIS, AIDS POSES A NATIONAL LEGAL CRISIS AS WELL. "THE CRITICAL AND SPECIAL LEGAL NEEDS OF PERSONS WITH AIDS, ARC AND HIV INFECTION ARE SIMPLY NOT BEING MET," SAID CLINT HOCKENBERRY, ADMINISTRATOR OF SAN FRANCISCO'S AIDS LEGAL REFERRAL PANEL, HOST OF FRIDAY'S NATIONAL CONFERENCE. "ONLY 10 LEGAL AID PROGRAMS THROUGHOUT THE UNITED STATES ARE PRESENTLY PROVIDING LEGAL SERVICES TO THE OVER 1.5 MILLION PERSONS WITH AIDS AND ARC," SAID HOCKENBERRY.

THE AIDS LAW CONFERENCE IS BEING HELD IN ORDER TO ADDRESS THIS GAP IN EXISTING LEGAL SERVICES. THE CONFERENCE, SPONSORED BY BAY AREA LAWYERS FOR INDIVIDUAL FREEDOM (BALIF), EMPLOYMENT LAW CENTER OF THE LEGAL AID SOCIETY (ELC/LAS), NATIONAL EDUCATIONAL FOUNDATION FOR INDIVIDUAL RIGHTS (NEFIR) AND VOLUNTEER LEGAL SERVICES PROGRAM OF THE BAR ASSOCIATION OF SAN FRANCISCO (VLSP/BASF), WILL TRAIN PARTICIPANTS WITH THE GOAL OF ASSISTING IN THE CREATION OF LOCAL AIDS LEGAL SERVICES PROGRAMS AND STRENGTHENING THE ORGANIZATIONAL STRUCTURE AND LEGAL SKILLS OF THOSE PROGRAMS ALREADY IN EXISTENCE.

"PERSONS WITH AIDS AND ARC ARE UNABLE TO FIND AFFORDABLE LEGAL ASSISTANCE AT THE VERY TIME THEY ARE MOST IN NEED AND MOST VULNERABLE TO STRESS IN THEIR LIVES," SAID ORA PROCHOVNICK, MEMBER OF THE AIDS LEGAL REFERRAL PANEL MANAGEMENT COMMITTEE. "AT A TIME WHEN THEY HAVE JUST LOST THEIR JOB OR THEIR HEALTH INSURANCE OR THEIR HOME, OR ARE BEING DENIED GOVERNMENT BENEFITS, OR NEED ASSISTANCE IN DRAFTING A WILL OR POWER OF ATTORNEY...PROVIDING SERVICES WHICH ADDRESS AND ALLEVIATE THEIR LEGAL PROBLEMS WILL ENABLE THEM TO CONCENTRATE ON THEIR HEALTH CONCERNS."

Members of the press are invited to attend the AIDS LAW conference, and are asked to register at the main table in the Green Room.

A STATEWIDE CONFERENCE OF LEGAL ISSUES RELATING TO HIV-INFECTED INDIVIDUALS.
A State-wide conference of legal issues relating to HIV-infected individuals.

8:30 AM-5:30 PM SATURDAY, NOVEMBER 10, 1990
MAYER THEATER, SANTA CLARA UNIVERSITY
SANTA CLARA, CALIFORNIA

KEYNOTE SPEAKER: STATE ASSEMBLYMAN JOHN VASCONCELLOS

The conference has two objectives: one is to enable attorneys to provide service and assistance to HIV-infected individuals in substantive legal matters. The second is to promote discussion among the legal community and interested others about the issues involving HIV-infection and the law.

Areas to be covered include employment discrimination, wills and durable powers of attorney, government benefits, bankruptcy and collection, insurance and employee benefits, and family law.

We’ll also look at such topics as criminal issues and mandatory testing, access to medical care, patient confidentiality, suicide, and other ethical concerns.

In addition, one of the workshops will address the how-to's of running a legal services program for HIV-infected people: fund-raising, administration, and attorney recruitment will be discussed.

The fee for the day-long event includes lunch as well as a comprehensive 450-page AIDSLaw manual that contains chapters on each of the substantive issues listed above. People with AIDS, students, and other low-income individuals are encouraged to take advantage of the special rate available to them.
