“CONDUCT UNBECOMING SHOULD BE REQUIRED READING....

“A massive expose of government-sponsored prejudice, abuse, and illegality. Must reading for any who would doubt that gay men and women are as capable of fighting and dying for their country as any other Americans.” —Chicago Sun-Times

“Randy Shilts' book may break your heart as it leads to the overwhelming conclusion that such cruelty must stop. The power of Conduct Unbecoming lies in the vivid force of its examples. It is virtually a series of short stories on the common theme of the betrayal and mockery of the American dream for untold thousands of gay and lesbian patriots who gave their best, and in some cases their all, for our country. Thank you, Randy Shilts, for bearing witness. One hopes that the truth will set us free.” —Chicago Tribune

“A masterpiece of investigative reporting. Shilts has shown us the honor homosexuals have brought, and continue to bring, to the uniforms they wear and the country they serve.” —The Boston Sunday Globe

“Gays, we are told, would damage morale in the military. Shilts documents the fact that morale has already been eaten away by hypocrisy, contradictions, and favoritism. This book will be to gay liberation what Betty Friedan’s was to early feminism or Rachel Carson’s to ecological consciousness. No fair-minded person can read [Conduct Unbecoming] and consider the present system defensible.” —USA Today
