## Unite Against the Cycle

It's because of you, families in our community are moving out of the cycle of poverty. Thank you for your donation to Valley of the Sun United Way. Your support is ensuring people have a roof over their heads; kids have access to quality education; and every family has food on the table and the security of financial independence. Breaking the cycle of poverty isn't easy and no single organization can do it alone. But it is possible when we work together. With your support, we're building a stronger community

## Ensure Children and Youth Succeed

We believe all children and youth deserve every opportunity to succeed. Your donation supports programs that ensure children enter school prepared to learn and that youth receive the support they need to graduate high school and move on to college and career.

## End Hunger and Homelessness

Your support helps provide the most basic needs for individuals in our community, such as housing, food and access to support services like counseling, basic health care and job placement.

## Increase Financial Stability

Your support is moving families and individuals to greater financial self-sufficiency. We provide job skills and financial literacy education while eliminating the barriers to affordable childcare and adult education opportunities.
