ABOUT POWER OF THE PURSE

WHO WE ARE:

The Women's Foundation of Arkansas (WFA) was launched in 1998 when two of our founders, Pat Lile and Olivia Farrell, saw the need for funding dedicated to investing in projects that support women and girls in our community. These women were instrumental in seeking out prominent female leaders from "Top 100 Women in Arkansas," where the idea for an organization for and by women was initiated. We strive to not only expand educational opportunities for women who do not have access to them, but also empower and equip women with necessary resources for emerging occupations, improve the economic status of Arkansas women, and promote a mentorship for women and girls who are in need of tangible and emotional support.

In 1999, the first Power of the Purse Luncheon was held to announce the grants made possible to support these causes with donations from the original founders. WFA now holds this fundraising event each year to honor accomplished women, announce grants made that year and highlight other WFA programs. This year's Power of the Purse Luncheon will be held Thursday, September 26, 2019, at the Wally Allen Ballroom inside the Statehouse Convention Center.

HOW YOU CAN HELP:

We envision a state of equal opportunity – where women have a choice and a voice. However, this dream is unachievable without the monetary support of generous sponsors. This year, we are inviting you to become a sponsor prior to media coverage for this event and before we send invitations, e-newsletters and run advertising so that your name or company name may be recognized through some of these platforms, including the program and program collateral.

Many thanks to some of our founders who continue to show support:
