#2 Click on the Widget button

The screenshot shows the EasyWebinar interface. At the top, there is a navigation bar with the EasyWebinar logo and a '+ Add Event' button. Below the navigation bar, a dropdown menu is open for the event 'Office Hours - Oct 31 - Scary Secrets & Frightening Success'. The menu has two tabs: 'Webinar Links' and 'Registration Widget'. The 'Registration Widget' tab is selected, and a red arrow points to it with a circled '2'. Below the tabs, there are several registration links:

- Registration Page Link : <https://officehours.easywebinar.l>
- Thank You Page Link : <https://officehours.easywebinar.l>
- No Registration Public Event Link : <https://officehours.easywebinar.l>
- No Registration Countdown Public Event Link: <https://officehours.easywebinar.l>
- Replay Page Link : <https://officehours.easywebinar.l>
- Oneclick Registration Page Link: Replace NAME with attendee name and EMAIL with attendee email https://officehours.easywebinar.l?attendee_name=NAME&attendee_email=EMAIL

At the bottom of the screenshot, a table of event details is visible:

Name	Email	Start Date	End Date	Time
Waiter	galoiss@hotmail.com	Nov 01, 2017	Oct 31, 2017	5:00 PM Pacific Time (US & Canada), Tijuana
Sheri	sheri@sheri.com	Oct 31, 2017	Oct 31, 2017	5:00 PM Pacific Time (US & Canada), Tijuana

The screenshot shows the configuration interface for the Easy Webinar Registration Widget. At the top, there is a blue header with the word "Success". Below it, there are two tabs: "Webinar Links" and "Registration Widget", with the latter being selected. The "Widget Type" section has two options: "Registration Button & Widget" and "Event Registration Widget", with the latter selected. A toggle switch for "Redirect Attendee to Custom Thank You Page" is set to "OFF". The main area contains a text box with the following embed code:

```
<div class="ewp_form_container" id="ewp_widget_container" webinar_id="/Cv9WsO/iatnGljhhTywDw==" ></div>
<script type="text/javascript" src="https://app.easywebinar.com/widget/js/ewp_widget.js?v=1.111" ></script>
```

Below the code box are two buttons: "Copy Embed Code" (green) and "Generate Embed Code" (dark blue). To the right, the "Customize Settings" panel is visible, showing options for "REGISTRATION WIDGET CUSTOMIZATION", "WIDGET SETTINGS", "Primary Font" (Color: #159c49, Font Size: 16), "Secondary Font" (Color: #000000, Font Size: 16), "Font Family" (Roboto), "Registration Button on Widget" (Register Now), and "Button Color" and "Text Co" (partially visible).
