Campus Buildings, 1965-1985

Between 1965 and 1985 the built landscape of Meredith College changed in ways both great and small. The additions brought new residences or structures for those in the arts, athletics, business, social sciences, as well as education. The following is a list of new construction during this time period. To learn more about the new buildings constructed during the mid-60s to mid-80s or to see more photographs click on the links below or visit the College Archives.
