

## This Shocking DVD Exposes...

### How the Government is Quietly STEALING Homeowners Money...And How You Can Massively Profit By Taking It Back For Them!

Super star attorney Bob Diamond is the Nation's #1 Authority and Trainer when it comes to recovering MILLIONS for homeowners who've lost their homes to foreclosure...but are rightfully due money upon county auction of the home.

You heard correctly. This little known secret niche is called "Overages" and is rarely talked about...because so few people know about it. Yet an elite posse of extremely savvy 'deal brokers' are making a killing swooping in, locating these so-called county government 'holding accounts,' and reclaiming money rightfully owed the homeowners. AND this can be done in your own backyard...in EVERY county in the country, from anywhere in the world!

In this exclusive video training, you'll discover how to...

- Create a massively lucrative business simply by locating and giving the homeowner their money...and keeping a hefty profit for yourself
- Get your hands on the 'Underground List' of homeowners who are owed millions by the government
- Easily create your automated arm-chair 'Lather-Rinse-Repeat' business so others do all the heavy lifting...while you just close the deal and deposit your checks.
