Last year I closed 12 million in sales, and this year I'm on track to to close over 20 million... and I'm able to take more time off, and my life is more balanced than ever before!

Erin Caraway

I'm on track to double my business this year closing almost 20 Million making it my best year ever! I'm planning on doubling my business again next year –

Mike Koperna

I've been using Hoss's systems and coaching since my first day in real estate, and within 12 months I was one of the top 2 listing agents in my market. The best part of this is that I can do it without the fear and I know that the disciplines that I learned from him are the bridges between my goals and accomplishments. YOU ARE A ROCKSTAR! –

Chelsea Countryman

My business has grown by 200% in under 6 months, I have 13 currently pending, and it's showing no signs of slowing down. The strategies that Hoss teaches flat out work!

Here Are Some More Success Stories...

I have learned more with Hoss in 2 months than I learned in 2 years with other coaches!!! Get the system, get the coach, and get the listings!!! –

Mike Porciau

With Hoss Pratt's systems and coaching I went from a rookie agent to over 40 listings within 18 months. Thank you Hoss, for assisting me in my journey to success.

Monica Benavides

The year before I started using Hoss' systems, I closed 24 transactions. The next year, after implementing the Listing Boss material and a few months of coaching, I closed 50 transactions. Now I am building a team and last year I closed 87 transactions with Hoss's coaching and systems.

Justin Woodall

I have more than doubled my business in the last year using Hoss's systems and coaching.

When my business partner Dudley approached me with the idea of taking on a real estate coach, I was extremely skeptical. Then he told me his name was Hoss. Really? We've never looked back. It is the best investment in our business that we could possibly make. Hoss's concepts and marketing ideas are applicable and best of all; they are proven. We have received more interest since implementing them than anything we've done in the past. I'd like to think of Hoss Pratt as our secret real estate weapon.

Lawrence Malestic & Dudley J. Latham

I've been licensed for 6 weeks and already listed 7 houses totaling over 3.5 Million in gross volume.
