Your Faculty

Hal Croasmun has interviewed over 700 producers in Los Angeles and helped over 250 writers make their first deal in Hollywood. He's the President of ScreenwritingU, the top online screenwriting school in the world.

Chris Soth sold his first screenplay for $750,000 and has done paid writing assignments for studios and major producers. He is a sought after script doctor and screenwriting mentor.

Dimitri Davis is the Director of the Coverage Department at ScreenwritingU. He provides professional coverage to major production companies and the ScreenwritingU Alumni.

Jenna Avery is an Accountability expert and a screenwriter. She mentors screenwriters on overcoming writer's block and procrastination, along with how to set up a more productive writing routine.
