

OVERVIEW

Zimride by Enterprise is George Mason University's private online ride-matching service that easily connects drivers and passengers heading to the same area, making it a great solution for taking weekend trips or coming home to visit on breaks. The platform's unique approach to ride-matching allows members to link their profile to their Facebook page.

BENEFITS FOR STUDENTS AND PARENTS:

- Easy to sign up and create a profile at zimride.com/Mason.
- Zimride is only available to members of George Mason University's community who have a valid **Patriot Pass and password**.
- Allows students to find rides home for breaks or to find a carpool partner for their regular commute to school.
- Saves on car related expenses such as parking permits, insurance and gas.
