REFINE

EXFOLIANT for all skin types

SWEET TIPS

• Did you know the life cycle of every skin cell you have is about 27 days? *That's why exfoliation is key.* **Sweet Minerals Refine with gentle jojoba wax beads will slough away dead skin cells without stripping or harming the skin.**

• Refine will help improve the skin's health, give your skin a youthful glow, help fade hyperpigmentation, smooth out fine lines and wrinkles, and leave your skin silky smooth to the touch.

DIRECTIONS

Apply the mask to freshly cleansed skin, leave on for 5 to 10 minutes, moisten, and gently scrub in circular motions to remove. *Safe and gentle enough for daily use.* **Dryer skin types will want to use once or twice a week and oilier skin types can use daily.**
