

JAVA JUNKIE REJUVINATING BODY BUTTER

SWEET TIPS

- Try using Body Butter after exfoliation of dry patchy skin, such as HEELS, elbows, and knees.
- Use in conjunction with Java Junkie Energizing Body Scrub for use on cellulite prone areas by massaging deeply to help with the appearance of cellulite.
- Apply to legs for a silky, youthful appearance.

DIRECTIONS

Scoop with hands and warm between palms until softened and liquefied. Massage into dry, rough, or scaling skin.

BENEFITS

Coffee is the secret of supermodels before walking down the runway, as it helps energize and tone skin.

Combined with coconut oil, this blend, will help your skin glow and feel highly moisturized!
