

LIP CRAYONS & LIPSTICK

SWEET TIPS

- High concentration of pure pigments leads to saturated colors that last all day without robbing lips of moisture.
- Seamless coverage gives the appearance of lip liner and lipstick from one easy applicator; no bleeding from lip lines.
- Antioxidants nourish lips, shea butter, jojoba seed and coconut oil create a creamy, buttery texture that hydrates lips for hours.

DIRECTIONS

Start by applying to the middle of your bottom lip.

Dab and blend towards the corners of the lips. Rub lips together to distribute evenly.

Finish by defining the bows of the upper lip.
