

LIP GLOSS

SWEET TIPS

- Sweet Minerals Lip Gloss has a unique, super-shiny formula that is infused with botanical extracts, essential oils and pure organic fruit pigments, which are loaded with antioxidants.
- This rich and creamy gloss glides on effortlessly to leave your lips feeling moist and hydrated for hours without fading.
- Sweet Minerals Lip Gloss has a long-lasting formula that is available in a variety of shades that look great and pamper your lips at the same time.

DIRECTIONS

Start by applying gloss to the middle of your bottom lip.

Dab and blend the lipgloss towards the corners of the lips. Rub lips together to distribute the gloss evenly.

Finish by defining the bows of the upper lip.
