

LIQUID LINER PEN

SWEET TIPS

- Our waterproof, stay in place, Liquid Liner pen is highly pigmented.
- *Felt tip (double sided) applicator, easy to apply for a precise line.*
- The flexible felt tip provides ease of applicatino close to the base of the lashes with a fine line, or creates a more intense dramatic effect with a slightly increased pressure.

DIRECTIONS

Apply across your lower and upper lash lines. For an intense Liner color apply pressure.

Tip - *Liner is easy to apply when it is applied in short strokes. When pen feels dried out, take tweezers and pull the applicator tip out and flip it, then put then used side back into the pen (exposing the fresh, new side).*

BENEFITS

- Easy to apply with flexible felt-tip applicator
- *Waterproof and long-lasting formula*
- You're in control of creating a thin, thick, or more dramatic cat or winged eye
