

BLUSH

SWEET TIPS

- Sweet Minerals Blush has covered all the spectrums of colors, from cool to warm, sparkly to semi matte.
- *Made with natural crushed minerals.*
- Self adjusts to your complexion and undertones to give you a healthy glow.
- Wear as soft or as vibrant as you please by simply layering it.
- Suitable for the lightest to the deepest of skin tones.

DIRECTIONS

Sprinkle a small amount of Sweet Minerals Blush into its lid. With the MultiTasker Brush, dip into the lid to pick up your favorite Blush color. Lightly touch the apples of your cheeks and along the cheekbones. Next, blend softly with light circular motions.
