HAIR & BODY WASH

HAIR AND BODY WASH for all skin & hair types

Breathe

HAIR/
SKIN

SWEET TIPS

• Breathe deeply – You can feel the green in each breath of Sweet Mineral’s Breathe Green Hair & Body Wash (sulfate-free). The carefully selected essential oils used to create this unique and beneficial wash seem to ease the breath, filling the senses with harmonizing, vibrant notes that help invigorate and nourish the mind, body and soul, while leaving the hair and skin silky soft, renewed and replenished.

DIRECTIONS

For Hair:

Pump a desired amount of wash (depending on your length of hair) into the palm of your hand. Massage the shampoo into the scalp, working through your hair, covering the entire hair shaft from root to tip.

For Body:

Pump desired amount into a washcloth or shower poof to cleanse the body. Rinse thoroughly.

INGREDIENTS

Water, Decyl Glucoside, Lauryl Glucoside, Cocamidopropyl Betaine, Phenoxyethanol, Provitamin B5, Hydrolyzed Wheat Protein, Sweet Basil Leaf Oil, Rosemary Leaf Oil, Laurel leaf Oil, Peppermint Oil, Ginger Root Oil, Eucalyptus Leaf Oil, Ravensara Oil, Lemon Peel Oil, Xanthan Gum, Tetrasodium Glutamate Diacetate.

KEY INGREDIENTS

• **Organic Aloe Juice** - an excellent natural moisturizer and skin conditioner. It can reduce flaky, itchy scalp and reduce dandruff. Promotes hair growth and strength and luster to hair.

• **Provitamin B5** - Pro-Vitamin B5 adds the nutrition needed for healthy and vibrant hair growth while it repairs damages caused by heat appliances and chemicals.

BENEFITS OF PRO VITAMIN B5 include optimum moisture balance, as it vitalizes and nourishes thinning hair. It helps increase strength and reduces breakages.

• **Hydrolyzed Wheat Protein** - Hydrolyzed wheat proteins thicken and add volume to thinning hair, adds shine and manageability, and repair damages hair. Since it has a low molecular weight, it easily penetrates the hair shaft and absorbs into the inner fibers of the hair.
